CHRISTIAN SCIENCE CHURCHES

"In the Universe, including Man, Evolved by Atomic Forces." This question is the subject of the Lesson-Sermon on Sunday in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. The Golden Text is from Amos: "Lo, he that formeth the mountains, and createth the wind, and declareth unto man what is his thought, that maketh the morning darkness, and treadeth upon the high places of the earth, The Lord, The God of hosts, is his name."

Among the Bible selections in the Lesson-Sermon are the following verses from the Psalms: "God be merciful unto us, and bless us; and cause his face to shine upon us; that thy way may be known upon earth, thy saving health among all nations. . . God shall bless us; and all the ends of the earth shall fear him."

A correlative passage from "Science and Health with Key to the Scriptures," by Mary Baker-Eddy, says: "Mind's control over the universe, including man, is no longer an open question, but is demonstrable Science. Jesus illustrated the divine Principle and the power of immortal Mind by healing sickness and sin and destroying the foundations of death."

What Is The Christmas Spirit?

By The Rev. F. Murray Clayton Vicar of St. Andrew's Church

We hear much today about the Christmas Spirit. What is this "Spirit," is it a commercialized thing which has to do with gifts and givers, toys and books? I rather believe that our modern "Christmas Spirit" is the world's substitute for the grand old "Spirit of Christmas" which was so dear to true hearts of our fathers. I also fear that today our children are being taught too much about "a giver" and far too little about "The Giver" and the "Gift." Christmas should mean more than "good business." It should mean good hearts, peace to men of good will—"God so loved the world that he gave his only begotten son" to us men and for our salvation, on that first Christmas Day. This is the spirit that we as Christians should keep alive. We give gifts because He gave "The Gift" and we share in his divine plan.

The Spirit of Christmas is the keeping alive the great truth of the Christian Religion that when the fullness of time came, God sent forth his son, born of woman.

For us men and for our salvation God the Son came down from heaven, and was made man; in the beginning was the Word, and the Word was God; and the word became flesh, and dwelt among us. From all eternity he was God, receiving his divine life and nature from God the Father. When the time of preparation of the world was fulfilled, he became man. He did not cease to be God, but he joined together human nature with divine nature in his Person, that all mankind might be brought into union with God through him. This is called the Incarnation, a word which means Being made flesh. Christmas is the season at which this fact is commemorated and the Christmas Spirit should be a spirit of Holy Joy for Jesus is born in Bethlehem and we have seen his star and have accepted him as our gift.

"King's Birthday" By Sunday School of Christian Church

"The King's Birthday," a Christmas dramatization, will be presented by the Christian church Sunday school next Sunday evening, December 23, beginning at 7 o'clock, sharp. The idea of the drama is to teach the true meaning of Christmas, according to Rev. Elder, pastor of the church. It will recall the fact that the only way in which one may honor the King on His birthday is to honor His children who are in need. It will remind us of the motherless and homeless children of the world, to whom Christmas means so little. It will point out the need of a practical demonstration of the teachings of Christ, whose birthday we celebrate this season of the year, the pastor continued. The program will include several

Do You Operate Under A FICTITIOUS FIRM NAME?

If so, have you complied with the requirements of Section 2466 of the Civil Code, which says: "Every person and every partnership transacting business . . . under a fictitious firm name . . . must file . . . a certificate stating the name in full and the place of residence of such person and the members of such partnership . . . Such certificate must be published once a week for four consecutive weeks."

If you have neglected this procedure, do you realize that the name of your firm is not protected, and that you are not entitled to maintain suits in the courts of the State of California?

Take care of this important matter NOW by having this newspaper publish the certificate. Come into the office—it takes only a few minutes to have the form filled out and we will file the documents for you. The cost is small, but the filing and publication is something which should not be overlooked. Very small cost. You simply pay a nominal publication charge plus \$1 for the county filing fee.
