

Petitions For Refunding Bonds Cause of Delay

Check of Signatures Finds Small Percent of Property Owners Listed

Because they had not obtained sufficient signatures, property owners in special assessment districts formed for the improvement of Prairie avenue, Electric street and Western avenue will have to wait additional time in order to place refunding proceedings under way, the county surveyor was compelled to advise the board of supervisors this week.

committee for check and report. The report stated that only 13 per cent of the property owners had signed the petition for refunding of bonds on Electric street, in A. and I. No. 122; only 8 per cent had signed the petition for refunding bonds in A. and I. No. 124 for Western avenue, and only 14 per cent had signed the one for refunding bonds for A. and I. No. 213, for Prairie avenue. A petition to be acted upon must contain the signatures of at least 50 per cent of the property owners. Refunding proceedings already are under way in several county districts, but everything along this line is virtually at a standstill pending a supreme court decision on the validity of the Special Assessment District Refunding Bond Act, scheduled for a hearing before the state tribunal early this month.

Plans For President Ball Rapidly Being Completed

Elaborate plans for a mammoth President's birthday ball to be held on President Roosevelt's 53rd birthday anniversary, January 30, at the Hollywood Riviera clubhouse will be perfected tonight at a committee meeting in Earl's Cafe. Among those who have already consented to take an active part in arranging the local party are Beverly R. Smith, general chairman; City Clerk A. H. Bartlett, treasurer; Jack Murray, master of ceremonies; Postmaster C. Earl Conner, assistant general chairman; Grover C. Whyte, publicity chairman; and Miss Betty Miller, secretary. Tickets will be one dollar per couple.

As was the case last year, the affair is to be nation-wide in scope and proceeds of the thousands of similar gatherings throughout the nation will be used in rehabilitating the victims of infantile paralysis. Last year the proceeds were donated to the Warm Springs Foundation, an institution maintained to help those afflicted to return to complete health. This year 70 per cent of the funds raised by the local birthday ball will be retained by the community to be used in rehabilitating its own infantile paralysis victims. Thirty per cent of the funds will be turned over to the national committee for delivery to the President to be presented by him to a national commission which he will create to widen research efforts to wipe out the disease itself.

DAM REVERSED FLOW OF TEXAS RIVER
ROBERTOWN, Tex. (U.P.)—Travelers on Highway No. 129 near here were not experiencing an optical illusion when they noticed the water in the Nueces river was higher below the Calallen dam than it was above it. This reverse condition was really true. The dam is a low-water structure built to impound water for the city of Corpus Christi. Recent heavy rains had brought the river to the flood stage and the river took a short cut through the San Patricio County bottom lands. Water coming from the short cut reached the river again near the highway before the water in the main stream and began running up stream. This reversed the flow of water even over the dam.

NOTICE OF INTENTION
Notices of intention to marry were filed with the county clerk in Los Angeles this week on behalf of the following residents: James F. Branch, 22, of Los Angeles, and Edith A. Corbett, 20, of 1753 Arlington street, Torrance. Robert C. Berggren, 26, of 716 Portola avenue, Torrance, and Irene J. Ward, 22, of Denver, Colorado. Theodore Rozolla, 25, of 1601 Rosecrans, Gardena, and Eubenia Hart, 18, also of Gardena. Spent 20 Cents in Campaign JACKSON, O. (U.P.)—Ed Dickins' expense account as defeated candidate for state representative: 20 cents.
