CHURCHES OF CHRIST, SCIENTIST "Truth" is the subject of the Lesson-Sermon on Sunday in all Christian Science churches, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. The Golden Text is from the Psalms: "Teach me thy way, O Lord; I will walk in thy truth: unto my heart to fear thy name." One of the Scriptural selections in the Lesson-Sermon includes these verses from Luke: "And, behold, there was a woman which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise lift up herself. And when Jesus saw her, he called her to him, and said unto her, Woman, thou art loosed from thine infirmity. And he laid his hands on her; and immediately she was made straight, and glorified God." Correlated passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy state: "Christian Science is the law of Truth, which heals the sick on the basis of the one Mind or God." "Let us banish sickness as an outlaw, and abide by the rule of perpetual harmony—God's law."
