### Palos Verdes Estates

#### Reorganization Following Trustee's Sale Is Expected Shortly

The Palos Verdes Estates will be put up for sale shortly at a trustee's sale. It was disclosed this week coincident with action of Los Angeles county superior court in approving a petition for "revamping" of the valuable property, held by Frank A. Vanderlip and others.

Petition for confirmation of an agreement whereby the affairs of the Estates are to be reorganized was approved Monday by Superior Judge Emmet H. Wilson, in an action brought by Chris N. Test, person, against several trust companies.

The action was originally brought to restrain a sale of the property for non-payment of a trust deed. The compromise has been under consideration by representatives of the trust companies for approximately a year. The trust companies are the Union Bank and Trust Company of Los Angeles, The Commonwealth Trust Company, and the Bank of America National Trust and Savings Association.

The proposal as submitted to the court after having been approved by the various interested groups and by E. A. Lynch, as trustee in bankruptcy of the estate of E. G. Lewis, provides that the property shall be sold under the trust deed, and that a corporation to be hereafter organized will purchase the property at the trustee's sale. Preferred stock is to be issued to holders of first mortgage bonds, and their representatives will control the corporation until the preferred stock is retired at par plus interest at 7 percent per annum. Thereafter the corporation will pass into the control of the holders of the common stock.

Evidence at the hearing disclosed that non-convertible notes in the principal sum of \$1,300,000

"Whoever God doeth, it shall be for ever." These words from Ecclesiastes are the Golden Text in the Lesson-Sermon on "Substance" on Sunday in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

A Bible selection in the Lesson-Sermon includes these verses from Luke: "And one of the company said unto him, 'Master, speak to my brother, that he divide the inheritance with me. And he said unto him, 'Man, who made me a judge or a divider over you? And he said unto them, 'Take heed, and beware of covetousness: for a man's life consisteth not in the abundance of the things which he possesseth.'"

One of the passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, states: "How true it is that whatever is learned through material sense must be lost because such so-called knowledge is reversed by the spiritual facts of being in Science. That which material sense calls intangible, is found to be substance. What to material sense seems substance, becomes nothingness, as the sense-dream vanishes and reality appears."
