H. M. Roberts Writes Concerning Need of Extending And Improving Cabrillo Ave.

In a letter to the Herald, published below, H. M. Roberts, pioneer Torrance citizen and property owner, emphasizes the need for immediate action in extending and improving Cabrillo avenue. The letter follows:
"Editor, Torrance Herald: 'Spasmodic' efforts have been made in the past to improve Cabrillo avenue as far south as Carson street. Credit is due many citizens who sincerely labored to make this street a credit to the city but the net result is failure. We have some ornamental lights that are a credit to any street but the street itself is about as it was when carved out of a burley field 33 years ago.

Liberty Bond Exchange Offered

Holders of liberty bonds of the fourth issue, in Torrance and vicinity, will be interested to know that the government is offering to exchange them for a new issue of treasury bonds, which will be to their advantage. A telegram from Henry Morgenthau, Jr., to Wallace Post, of the Torrance National Bank, which Mr. Post received Tuesday, sets forth the facts, as follows:
"March 19, 1935.
"Torrance National Bank:
"The treasury would again appreciate your help as given on previous occasions in reaching individual holders of the fourth Liberty bond issue to advise them of the opportunity to exchange for new issue treasury bonds. This offer terminates Wednesday, March 27. Bonds eligible for exchange are fourth liberties with terminal digits 5, 6 and 7. Please use your good efforts not only in contacting your own customers but as a public service offer your facilities to your community. Suggest you get in touch with local newspaper requesting them to bring the facts to the attention of the public. Many holders of bonds of small denominations are probably unaware of the advantage of exchange into the new issue.
