Tartars Are Tied

With Gardena For Top Spot In Marine League Series

The Torrance Tartars laid the whip over El Segundo last Friday to the tune of 9-2 in the third game of the Marine League series, and are now tied with Gardena for the top spot in the league.

If the Tartars take Gardena tomorrow, they will be in a good spot to clinch the championship in baseball for this season. Last year they finished in a tie with Gardena and lost the playoff. Paxman will probably pitch tomorrow, and the prospects are good for a win.

All-Stars Move Back To Municipal Park For Inter-City League Game March 31

Next Sunday, March 24, the boys meet the Terminal Island squad on the high school grounds, which will be the last game played there.

Foundry In The Lead In Columbia League Playoff Series; Down Open Hearth Saturday, 8-5

The Foundry and Open Hearth departments met in the first game of the big championship playoff last Saturday morning with first blood going to the Foundry.

Foundry played heads up baseball, taking every advantage of the Hearth boys' misplays and it was only through this that they finally won out.

The Open Hearth put on a rally in the ninth inning, scoring two times, and had runners on second and third, but a fine running catch in deep shortfield ended the game.

Gomez, pitching for the Foundry, was master of the Hearth team, and except for one inning of wildness would have held them to but one run, while Angel, pitching for the Hearth, was the victim of some bad fielding out in right field where three errors allowed the Foundry six of their eight runs.

Art Simpson's fine fielding and Rice's hitting were features of the Foundry play, while D. Malinar at short was the leading lady for the Open Hearth.

The Foundry got a tough break when their catcher had his finger split with a foul tip. He had several stitches taken in his one finger and he will probably not be ready for the second game next Saturday.

These games are played at an odd time, 11:00 a. m., but inasmuch as most of the mill is down on Saturday it is the best suited time for all.

The league's champion batter got his \$10 prize and to the disappointment of the Rolling Mill gang, he walked over and banded it to his wife.

International Marathoners Follow Route of the Padres

SAN DIEGO—Sanction for an international marathon over the classic distance of 26 miles, 385 yards, was received here today from the A. A. U. by the Combat Post 1460, Veterans of Foreign Wars.

The race will be run May 30 from Agua Caliente, Mexico, to the grounds of the California Pacific International Exposition, over the historic route followed by Padre Junipero Serra, founder of California's chain of missions.

P. R. Gleason, promotion manager of the post, said he anticipated about 150 entrants in the strictly amateur event, including some from Mexico, Cuba and Canada.

The exact course followed by Serra is now being worked out by Mrs. G. Aubrey Davidson, wife of the chairman of the exposition, from authentic sources in possession of the San Diego Historical Society.

The starting gun of the race will be fired, it is planned, by a high official of the Mexican government. The runners will be met in the exposition grounds by the Greek consul and a gathering of American officials.
