BROWER FOR TOMMY KULP

At last Dad is getting some of the credit in the family. Last Friday night, women employees of the Torrance Laundry gave a shower for Tommy Kulp, also an employe, which was a big surprise to that gentleman, but which provoked gales of mirth and jollity, due to the fact that Tommy was made the honoree at a stark shower.

The affair was given at the home of Mr. and Mrs. Kulp, senior, in Lomita. Tommy took his place on the floor in the center of a circle of ladies, and courageously opened the many packages of dainty baby things that were showered upon him. "Thanks, folks," he said, "all you who are here and those who aren't here but who sent me these beautiful little gifts. I surely appreciate your kind thoughts," and he passed the whole collection over to his wife, very glad to have someone to take over the responsibility.

The remainder of the evening was spent at games and other social activities. The guests brought their own refreshments for which Tommy thanked them again, and invited them to make him the honoree at another affair some time.
