

Easement Needed For Right of Way

The way was expected to be cleared this week for the improvement of Lomita boulevard, with a request of County Road Commissioner George Jones that an easement over an important parcel of right of way be obtained from Hugo Schmidt and the Long Beach Building and Loan Association.

The parcel lies near the intersection of Narbonne avenue, Jones stated. Jones asked that the supervisors advertise notice of intention to purchase the easement for \$1,000 from the record owners.

Narbonne High School

Narbonne's journalism class is having an especially busy month. The annual newspaper day at U. S. C. on Saturday, April 13, will be attended by the following four members of the Green and Gold staff: Virginia Milton, editor; Vivian Knudsen, assistant editor; Earl Sterling, sports editor; and Rosemary King, club editor.

The annual spring convention of the Southern California Press Association will be held at the same time, and Narbonne has entered several stories to be judged.

Monday afternoon, April 1, 15 members of the class visited the News-Pilot plant in San Pedro and were shown just how a newspaper is put out. On that same day they edited their annual fun edition, the Gabby and Goofy. All the papers, which sold for two cents a copy, were sold, with Veretta Gibson, a reporter, carrying off salesmanship honors.

Members of the journalism class have also been busy with projects. Frank Hincley made an extensive study of the front pages of seven Southern California papers while Shirley Reeves and Florence Stowe studied the proportion of news to advertising in a morning and an afternoon paper.

The Bookworms, a senior high club at Narbonne, that is made up entirely of girls, spent an enjoyable day at Exposition Park, Saturday, March 30. They provided their own transportation and lunches. After luncheon, they went through the different rooms in the museum.

The girls are sponsoring an assembly April 9, at which the men's quartet from Chapman College will provide the entertainment.

"The Thirteenth Chair," a thrilling murder drama, is to be presented by Narbonne's senior dramatic class under the direction of Mrs. Brinkerhoff, May 10.

The setting of this mystery is a house party where the engagement of two young people is about to be announced. According to those who have witnessed the rehearsals,

the play is full of thrills and excitement throughout.

The cast has been tentatively chosen. Some of the leading members have appeared in other plays at Narbonne. Erbs Schmidt, who is cast as Mrs. Crosby, and Harold Smith, who will be seen as Mr. Crosby, both had leading roles in the Junior play, "Three-Cornered Moon."

Other members of the cast are as follows: Will Crosby, the son, Derrell Marline; Edward Wales, Alfred Thorsen; Mason, Eugene Huggins; Helen O'Neill, Marjorie Irvine; Miss Grace Standish, Helen Hart; Mr. Standish, Parker Stahneke; Pollock, Amos Nance; Sergeant Dunn, Albert Widner; Mr. Trent, Clede Beckley; Mrs. Trent, Vivian Knudsen; Inspector Donahue, Jack Weber; Elizabeth Erskine, Gertrude Scanlon; and Mary Eastwood, Emma Erickson.

The Girls' Athletic Association of Narbonne is planning its annual Jinx Day, which will be held during the latter part of May. Every year the mothers are invited to attend the affair as guests of honor.

This year Jinx Day is to be different from those of preceding years as the girls will demonstrate the correct forms of playing the various major sports. There will also be dances given by various grades. Helen Hart, G. A. A. president, and Miss Mason, the sponsor, are busy with plans for a successful day.

Members of Narbonne's World Friendship Club attended a banquet at the Royal Palms Hotel in Los Angeles, March 29. The affair was held for all the World Friendship Clubs of Southern California, in order to announce the oratorical contest to be held in the near future.

Narbonne's representatives included Janet Mosher, George Taylor, Winifred Melkera, Bernice Fish, Jack Weber, Billy Buker, Harold Smith, Patricia Bullock, Mrs. Brinkerhoff and Miss Wylie. The placecards for the banquet were designed by Mr. Hunt's mechanical drawing class at Narbonne.

WILD CAR damages property IN LOMITA

Unknown parties, reported to be driving an Essex coupe, are alleged to have committed an act of vandalism at the property of Mrs. John S. Gunderson, 2434 256th street, Lomita, about 2 a. m. Sunday morning, March 31, when they drove through a field of alfalfa, and also broke down several avocado trees. The full amount of the damages committed had not been estimated when Mrs. Gunderson reported the matter on Monday to the sheriff's deputies at Sub-Station No. 3.

At the same time, A. J. Hodge, 2423 Redondo Wilmington boulevard, complained to the sheriff's men that the same car had torn down a wire fence on his property to the extent of about \$100 damages. A neighbor of Hodge was able to get the license number of the coupe, and investigation showed the car registered to a Los Angeles resident.

Letters to the Editor

Mr. Grover C. Whyte Editor Torrance Herald.

Dear Sir:

The members of the Torrance band wish to express their appreciation for your splendid co-operation. By calling the public's attention to our purpose, we got a ready response and consequently started off with a well-balanced group.

At present we have 16 musicians but wish to increase this number to at least 25.

More clarinet and cornet players are wanted, as we wish to enlarge on these two sections. Our first rehearsal was most gratifying to all concerned.

Again we wish to thank you.

THE BAND COMMITTEE

Anthony Zahradnik, Chas. Chaplin, Thos. Kendrick, John T. Watson.

Boozy Spurred By Wind

CLINTON, N. C. (U.P.)—A freak wind striking a farm near here picked up a barn, cowstall included, broke the chains by which a cow was fastened to her stall, and left the cow standing, unharmed, in the same spot.

Page Numerologists

OSGOOD, Ind. (U.P.)—Numerologists should get something out of this: a daughter born to Mr. and Mrs. Andy Friend here March 13 is their 18th child, and was born in the third month at 3 o'clock.

Auto Shooting Record Set

LANTHA, Mo. (U.P.)—Some sort of record was set by Jack Lawrence, farmer-marksman, who brought down a wolf at 75 yards while riding in an automobile travelling 40 miles an hour.
