THE FRIGIDAIRE '35
— EVERY MODEL HAS THE SUPER FREEZER

The Frigidaire '35 with the Super Freezer sets new standards in ice-freezing capacity—in healthful food preservation—in the crisping and freshening of vegetables.

The Super Freezer makes possible a Complete Refrigeration Service. It provides the right kinds of cold for every purpose—all in the same cabinet. There's fast freezing for making ice cubes and desserts; frozen storage for meats and ice cream; extra-cold storage for keeping a reserve supply of ice cubes; moist storage for vegetables and fruits; and normal storage for foods requiring dry, frosty cold.

Come in and see the new Frigidaire '35. Find out how easy it is to own one under our liberal terms.
