

Bluebirds Look Good

Murphy's Team Clicks With a Well-earned Victory Over Oilers

Those Bluebirds looked like champions last Tuesday night when they tamed the hotsy totsy Oilers from Huntington Beach, 7-6, in a game packed full of thrills and comedy.

The Oilers have been playing practice games for the past month and have cleaned up on everybody so far, but the Bluebirds with Wandering Louie Neva on the mound proved to be the stone-bruise on their heels.

GOOD FISHING is promised in SAN GABRIEL

Good fishing is assured on the East Fork of the San Gabriel this season, reports the touring department of the National Automobile Club.

The state has stocked the stream with eastern brook and rainbow trout. The nearby tributaries, Coldwater Creek and Cow Creek, have also received plants.

This region is easily reached via the Little Dalton Canyon road, paved half way, followed by good dirt to Camp Bonita.

Heavy rainfall has brought Sese Creek to a high level, but it is expected that the stream will clear soon, according to reports received by the touring department of the National Automobile Club.

The Foundry team, champions of the Columbia League, won their game against the all-star team from the plant and with it a cash prize of \$10 and a picnic to Orange county park, which were offered by Ed Thompson, of the Chevrolet agency, to the winner.

Foundry 16, All-Stars 9. The latter used up three pitchers trying to stop the champs but couldn't make it.

game with the Long Beach Admirals. The crowd in attendance was not large in numbers on account of the cold, threatening weather, but made up for size in enthusiasm. The game was well worth the price of admission, and the Birds made a good showing on their first time out this season.

Tartars Make Good Showing Against Frosh

Postponed Practice Meet Is Held Tuesday At Bovard Field In L. A.

Hubert Luck's bad foot, sprained in the relay at the Gauchos-Tartars dual meet last Friday, forced him into second place against Bonebrake at the Tartar-U.S.C. frosh practice tilt Tuesday afternoon.

Zamperini ran a dead heat with Jensen in the 80. Louie let Jensen set the pace until the last 100 yards then pulled up even and stayed there. Their time was 2:05.

Slow time was made in all running events due to the soft track which had been worked over and rained on until it was sloppy.

Gauchos Trip Tartars

Second and Third Places Decide Dual Meet Supremacy At Narbonne

Lack of second and third place men ruined the Torrance Tartars' expectations of conquering Narbonne in their dual meet last Friday at Griffin Field.

The Torrance alibi included several cases of German measles during the spring vacation, the short track at Narbonne, the running of the hurdles on a curve, but the real inside of the matter was the fact that the Gauchos were primed to give Torrance all they had and win if they could.

Thursday afternoon, Coach Ben Comrada handed the boys a pep talk based on Bob Lewellen's prognostication of an easy win for Torrance and the result was very gratifying to Ben and the Gauchos.

Johnny McFadden, picked to take first in the low hurdles finished fourth, due to the fact that Johnny has never practiced running this event on a curve.

Walter McCartney, who set the pace in the mile and lead until the next to the last lap, afforded the sensation of the afternoon.

Walter dropped back when Speed and Irvine put on steam but untroubled at a burst of speed for the last 50 yards that earned him a tie with Speed with Irvine only inches behind.

Class C results: 600—McMinn (N) 1st; Kirkpatrick (T) 2d; Eade (N) 3rd; time 1:34.9.

50—Piper (T) 1st; Tempe (N) 2d; Haruki (T) 3rd; 5.9.

Low hurdles—Piper (T) 1st; Nichikawa (N) 2d; Dillon (N) 3rd; time 14.0.

Shot put—Sullivan (N) 1st; Mertz (N) 2d; Austin (T) 3rd; 42 feet.

High jump—Maruyama (N) and Ulrich (T) tied for first; Powell (T), Kague (N), Mertz (N) third; 5 feet 4 inches.

Pole vault—Chandler (N) 1st; Hamilton (N) 2d; Austin (T) 3rd; 10 feet. Score Narbonne 54; Torrance 23.

SPORT SHOTS

After watching Narbonne high school of Lomita whip the tar out of Torrance last week in track, especially after I had picked Torrance to take the Gauchos in camp by the score, 66-38, I offer Coach Ben Comrada and his fighting Gauchos my most sincere apology.

Marine League meets on tap for Tomorrow, Friday, May 3.

Jordan high (North Long Beach) at TORRANCE, Narbonne at El Segundo and Leuzinger at Gardena.

After the whipping that I took last week on the Narbonne-Torrance affair I will not predict the scores, but will pick the winning teams.

Take Torrance to win over Jordana. Will be a good meet. Gregory Jordan's one-man track team will give some of the Torrance stars a run for their money.

Oh, yes, U.S.C. travels to Palo Alto, and should take Stanford in a hard fought meet. One of the features of the day will be the mile run with Benavidez and Zamperini of U.S.C. and Dixon and Nimmo of Stanford fighting every inch of the way for the three places.

Don't bet any money on these predictions.

On several different occasions readers of the Torrance Herald have asked for the track and field records of Torrance High School. Here they are:
