WOMAN SOCIETY

KEYSTONE WOMEN CLOSE CLUB YEAR

The Community hall, Keystone, was beautifully decorated in all kinds of spring blossoms for the annual May Day luncheon and installation of officers of the Keystone Women's Club Wednesday.

Mrs. W. F. Stevens, director of the federation headquarters, was the guest speaker and installed the new officers. Mrs. Stevens made the installation most impressive by comparing the president to the captain of a ship and listing each of the new officers as necessary in making the sailing smooth.

Mrs. C. E. Harshman was installed as club president, having been re-elected to that office by unanimous vote of the club members.

Each of the 35 ladies attending the luncheon and meeting made a May basket. A prize for the loveliest basket was presented to Mrs. J. C. Merriman, 1635 Amapola avenue.

A splendid program was presented which included readings by Miss Claire Miller, of Wilmington, and several violin solos by little Lola Schwartz, of Long Beach.

This meeting closes a most successful year for the Keystone club during the year ten members were added to the club roll.
