Narbonne High SCHOOL

The much-discussed theme of the Junior Prom to be given at Narbonne Friday, May 24, has been revealed. A southern plantation, carried out in simple decorations with the veranda of a southern mansion in the background, is being planned.

Friday, May 24, from 8 to 11 p. m., the juniors will greet the seniors and faculty guests. Mr. Willebrandt and Miss Mutch have been chosen as patron and patroness. Others in the receiving line will include Miss Griffin, Mr. Comrade, and the four junior class presidents, Jack Schatz, Joe Buffalo, Dorothy Key and Carl Bergstrom.

Frank Andersen is to act as master of ceremonies, taking to part of a southern colonel. To start the festivities, there will be a grand march, directed by Miss Mason.

Dancing will be enjoyed to the strains of the Woodman Brothers colored orchestra. Later in the evening Lloyd Jones will sing several southern numbers. Other features of the entertainment are being kept secret by the juniors.

Sophomore boys and girls are to serve the girls wearing old-fashioned hoop skirts after a pattern designed by Mrs. Stump. The boys will wear colonial costumes. Individual invitations drawn by Margaret Schatz, assisted by Akiko Kato, and depicting an old-fashioned colonial girl, were sent to each senior.

Various committees from the junior classes have been working hard to assure the success of the Prom. Miss Ruth Williams is the general chairman. Other junior home-room teachers are Miss Shea, Mrs. Grant and Mrs. Marshall.

Apronautics is the theme chosen by the A's for the semi-annual banquet to be held Tuesday, May 28, in the school cafeteria. Mrs. Miller and Mrs. Marshall have been chosen as patron and patroness. A diversified program has been planned by students from Mrs. Peterson's and Miss Burrows' A9 home-rooms. There will be a clarinet number a toe dance by Jean Rummelfield, guitar numbers by Walter Neilson, Billy Dixon, and Margaret Lewis, and a song by Lois Rainwater.

Lloyd Jones has consented to sing for the A's and several Japanese students will dance. Mrs. Jorie Long will impersonate Admiral Byrd. The program and speeches will be "broadcast" from different part of the world.

Torrance Girl Takes Second Place

Miss Gertrude Mowry, daughter of Mr. and Mrs. G. L. Mowry, was awarded second place in the piano competition, held last Saturday at the Southern California Music Company, Los Angeles, as a part of the program of contests of the Southern California Festival of Allied Arts.

The contest included young people between the ages of 12 to 18 years. Miss Mowry, a pupil of Mrs. Kathryn Burffington, played the First Movement of Beethoven's "Moonlight Sonata" and for her second number, Schubert's "Impromptu" and MacDowell's "Shadow Dance." Winners were given box seat tickets for the Philharmonic orchestra concert Saturday evening.

Miss Mowry was one of seven selected to compete on Tuesday and placed again second. The winner of the scholarship awarded in this competition was Miss Olive Schweitzer, of Santa Ana.

The competition in the Festival of Allied Arts, which is sponsored by the Los Angeles Chamber of Commerce, includes competition in music, art, sculpture, literature, drama, dancing, etc., and will close with a grand finale at the Hollywood Bowl Saturday evening at 8 o'clock.

Two other pupils of Mrs. Burffington were entered, Doris Robinson and George Pipes, who played Saturday in their respective age groups.

CHRISTIAN SCIENCE CHURCHES "Soul and Body" is the subject of the Lesson-Sermon on Sunday in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. The Golden Text is from the Psalms: "My soul longeth, yea, even fainteth for the courts of the Lord: my heart and my flesh crieth out for the living God." The Lesson-Sermon includes these words of Paul to the Corinthians: "For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens. . . . Therefore we are always confident, knowing that, whilst we are at home in the body, we are absent from the Lord: (for we walk by faith, not by sight): we are confident, I say, and willing rather to be absent from the body, and to be present with the Lord." Among the passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, are the statements: "When you say, 'Man's body is material, I say with Paul: Be willing rather to be absent from the body, and to be present with the Lord.' Give up your material belief of mind in matter, and have but one mind, even God; for this Mind forms its own likeness."
