Keeping Up With Torrance High

With a most gracious hostess presiding another Social Arts luncheon was given Thursday, May 16. Martha Greaves was the charming hostess and Earl Smith was host. Julian Isen and Lois Williams were the perfect waiter and waitress. Betty Yost, Jane Johnston, Carl Paxman and Mr. Andrews were the guests at the luncheon, which was a huge success.

In celebration of International Goodwill Day, which was May 18, the World Friendship Club sponsored a general assembly May 17, at which time Mr. Ishan Rifat, a native of Iraq, gave a most interesting address. Mr. Rifat and 550 other young men were sent to the United States to study in the large colleges, and he is one of six who were sent to U.C.L.A. to study engineering. His topic was "Modern Customs and Government in Arabia." International peace is the thing that Arabia is striving for, and they hope to be forever at war. Mr. Rifat has been in the United States only seven months but he spoke wonderful English for that much training.

Resolved: That trial by jury should be discontinued in the United States was the topic that was debated Thursday morning, May 9, at 10 o'clock, in the study hall at Torrance high school. Jayce Trailer and Julian Isen represented Torrance and took the affirmative side. Edward McDowell and Howard Williams represented Washington high school and upheld the negative side of the question. Both sides presented excellent arguments, but the Torrance debaters were far superior in their arguments and rebuttals. The debate was not without considerable humor, being injected chiefly by Julian Isen. The 300 at the East entrance to the Hall of Justice situated in the City of Los Angeles, Los Angeles County, California, Corporation of America, formerly National Bankitly Company, as trustee, under and pursuant to the terms of said trust deed will sell at public auction to the highest bidder for cash (PAYABLE AT TIME OF SALE IN GOLD COIN OR LAWFUL MONEY OF THE UNITED STATES) all the interest conveyed by said trust deed in and to the following described real property situated in the City of Torrance, County of Los Angeles, State of California, and more particularly described as follows, to-wit:

Lot Fourteen (14), Block Thirteen (13) in Torrance Tract, as per map recorded in Book 22, pages 94 and 95 of Maps, in the office of the County Recorder of said County.

Dated at Los Angeles, California, May 9, 1935.

CORPORATION OF AMERICA, formerly National Bankitly Company, as trustee.

By A. T. SMITH, Assistant Secretary.

HOLDEN, Me. (U.P.)—Perhaps one of the oldest officeholders in the country is A. H. Farrington. He has been the town's treasurer-tax collector since 1899.

Overnight Lodger Breaks Windows

John C. Husbands, 1808 Gramercy, arrested May 16, on a charge of drunkenness, was fined \$10 or five days in jail, which he paid. Husbands was so dissatisfied with his surroundings in the city hotel that he is said to have broken two windows and some dishes on which his breakfast was served. He was required to make good for the breakage as well as for his fine before being released.

Chimney Trapped Wild Duck

WELLESLEY, Mass. (U.P.)—No wonder O. R. Rice had a bad case of the jitters. Strange, weird sounds came from out of the fireplace in his home. On investigation, however, it turned out to be only a wild black duck that had become trapped in it.

Greaves, Ella Levy, Olive Belle Huber, Pat Carlin, Fern Wright, Betty Stevenson, Ruth Granger, Dorothy Melton, Janet Matri, Margaret Kibbe, Reva Hinkle and Aggie Lou Rippey. A Fish Was Embarrassing

CAMBRIDGE, Mass. (U.P.)—Because of the constant annoyance and embarrassment, Austin Fish, stationary engineer, asked Middlesex Probate Court to let him change his name. He said that he usually was called A. Fish.

The newly organized Junior Varsity Club held its first official meeting May 14, Tuesday noon, at which time the following officers were elected: President, Reggie Trolauer; vice-president, Jack Gilbert; secretary-treasurer, Jack Kent; sergeant-at-arms, Philip Jensen. Mr. Carlson is the club sponsor.

The A7 No. 3 class sponsored an exhibit of Mexican handicraft in the showcase of the administration building. The display was arranged by William Hunsaker and Wayne Denny. This work is in connection with social studies. The articles on display were loaned by Miss Boecker, Miss E. Jones, Mrs. Boynton, Miss Chase, Margaret Polozola, Kathleen Mickle and Eva Gossman.

CITY TO CONFER with Miss Vogleson ON LIBRARY

Details of the interior arrangement of the proposed new library building will be discussed at an early conference between members of the Torrance city council and County Librarian Helen E. Vogleson. It was decided at Tuesday evening's council meeting. The interior plan as drawn by county architects following Miss Vogleson's ideas calls for a larger building than was originally planned by the city council. However, City Engineer Leonard stated that he believed the interior plan as suggested by Miss Vogleson could easily be scaled down to fit the floor space as originally planned so as to keep the cost down to the figure tentatively agreed upon.

Members of the city council expressed the desire to reach an agreement with the county librarian before going ahead with the detail plans and filing the application for funds from the S.E.R.A.
