Change In Route Of International Highway Asked

"Three Flag" Route May Pass Over Sepulveda Through Torrance

Proposal of the federal government to re-route its "Three Flag Highway" around the Los Angeles and metropolitan district today met with a united protest from the county regional planning commission, the Los Angeles city planning commission and members of the board of supervisors.

The Three Flag highway, numbered 895 in the United States system, now enters Los Angeles via Mojave, Lancaster, Saugus, and San Fernando road, following Foothill boulevard on easterly to Pasadena, and on to San Bernardino, and through Riverside and Escondido to San Diego.

Proposal of federal highway engineers is to re-route the highway so that it would branch off at Little Lake, and proceed almost directly south across the Mojave desert, but not through the town of Mojave, through Santa Susana pass to San Bernardino and thence on south via the established route.

Proposal of the city and county officials is to re-route the highway at San Fernando so that it would cross San Fernando valley on Sepulveda boulevard, and eventually reaching Long Beach via State street. From this point it is proposed to follow the coast route southerly to San Diego, in place of the inland route.

This route would be much cooler than the route through San Bernardino, Riverside and Escondido. It is argued by county and city officials. Decision to register a united protest was reached following a conference with Supervisor Roger W. Jessup, chairman of the board's roads and highways committee.

The Three Flag highway originates at Banff, Alberta, and proceeds southerly through Spokane, Washington, Pendleton, Oregon, Reno, Nevada, Big Pine and Los Angeles en route to Mexico. Principal objection of federal highway engineers to Los Angeles is traffic congestion, it was stated. It was pointed out that Sepulveda boulevard will be opened throughout its entire length across West Los Angeles and down the west coast in a year or so, and that the State street project which ties in with it is rapidly nearing completion, thus affording the desired relief.

New All Star Manager

Jack Saunders Takes Over the Boss's Job For the Sunday Afternoon Games

Under new management and with a revamped lineup the Torrance All Stars cleaned up on the Santa Anita Mexican team last Sunday, 14-3. The game was a slaughter after the second inning, the All Stars scoring six runs in the third, four in the fourth and three in the fifth. Both Torrance pitchers were highly effective and held the racetrack boys to six scattered hits.

Jack Saunders has taken over the reins of management, replacing Jack Silva. Saunders plans to make a few more changes in his team before he is satisfied with the results, and expects to have a team that will win every Sunday.

The All Stars have made a fine showing so far, but the new management hopes to get even better performance out of the boys. The crowds are well satisfied with the shows they put on and attendance is steadily increasing at the park. Next Sunday the boys will play a double header against the San Pedro Longshoremen and the Thornton United team. The first game will be called at 2 o'clock.

Table with columns AB, R, H for Santa Anita players: Lobo, Maldonado, Friend, Cabrero, Villa, Alenzar, Munos, Serna, Roche, Lopez.

Table with columns AB, R, H for All Stars players: Montgomery, Johns, Edwards, Davis, S. Johnson, Wynegar, Fetherolf, G. Johnson, Coast, Mearring, Paxman, Willis.

Summary: Two-base hits—G. Johnson 2, Wynegar 3, Fetherolf 1, S. Johnson 1, Home run—Johns 1, Base on balls—Off. Paxman 1, off Willis 3, off Lopez 2, by Lopez 4. Hit by pitcher—Johns, Stolen base—Montgomery.

BOY SCOUTS

TROOP NO. 3 DAVID POWELL, Reporter

We had a very entertaining meeting last Wednesday night. The meeting came to order when Jean Bordeaux blew assembly.

After dues and rollcall, "Pop" Jones repeated the rules and regulations of the new recruiting contest which started May 15.

Inspection was won by John Jensen. The troop then played games and passed tests for the Court of Honor, May 31, which will be held at the Boy Scout hall.

The meeting was closed when Melvin Behner led the troop in the Great Scoutmaster's prayer.

RECREATION Department Notes

The supervisors of the Torrance playgrounds held their regular weekly meeting last Friday, May 25, at Torrance City park. The meeting was held in the way of an outing and picnic for the members of the organization and their families.

The Junior Merchants are all snappy players and made it real interesting for their opponents as well as those in the grandstand.

Torrance Recreational Center, a branch of the LACRA in Torrance, have moved their center of activities, which heretofore have been carried on at 1816 Cabrillo avenue, to the new location, 1335 Post avenue. This will be the main amusement center of the several LACRA playgrounds in Torrance.

Here will be carried on their usual activities of instruction, entertainment and sports which have been carried on so successfully in the past. The efforts of the workers of the Torrance Recreational project have been met by such a hearty response and appreciation by so many citizens that they have been encouraged to put forth greater efforts.

Some of the subjects in which the public is invited to participate are music, scientific airplane modeling, tap dancing, chess and checkers, stamp collecting, domestic cooking, games to amuse the children, swimming, etc., baseball, picnics.

All are welcome at 1335 Post avenue.

Goodwill

Tour to Alaska Is Planned In June

Business men and other residents of Southern California have been invited to join with the Los Angeles Chamber of Commerce on its sixth Alaskan Trade and Goodwill excursion. It was stated here today by Lawson Overman, district passenger agent, Southern Pacific Lines.

With Charles P. Bayer, field secretary of the chamber in charge of arrangements, the excursionists are to leave Los Angeles Wednesday evening, June 26, over the
