CHURCHES OF CHRIST, SCIENTIST

"The Lord giveth wisdom: . . . He keepeth the paths of judgment, and preserveth the way of his saints." These promises from the Proverbs are the Golden Text in the Lesson-Sermon on "God the Preserver of Man" on Sunday in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

Among the Bible selections in the Lesson-Sermon are these words of Jesus from the Gospel of Matthew: "For every one that asketh receive-eth; and he that seeketh findeth; and to him that knocketh it shall be opened." "But when ye pray, use not vain repetitions, as the heathen do: for they think that they shall be heard for their much speaking. Be not ye therefore like unto them: for your Father knoweth what things ye have need of, before ye ask him." A passage from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "God is Love. Can we ask him to be more? God is Intelligence. Can we inform the infinite Mind of anything He does not already comprehend? Do we expect to change perfection? Shall we plead for more at the open fount, which is pouring forth more than we accept?"

Father Has His Day Next Sunday

Father's Day will be observed at the First Christian church, Torrance, next Sunday, June 16, at the morning worship hour, 10:50 o'clock.
 Commenting on the occasion, Rev. George Elder, pastor of the church, said: "For a number of years our churches have been observing Mother's Day. This is a beautiful custom and is proving very helpful to the church. It is also a help and a blessing to the mothers and children. Father, however, has been almost entirely forgotten or ignored in these services. He has come too often to think he has no part either in the church service or the home. It is time we should give father a 'square deal' and bring him to realize that he is an important factor in the life of his children and of the church," said the pastor.
 Rev. Elder's sermon subject will be: "The Responsibility of Father." Appropriate music will be sung. The youngest father, the oldest father and the father of the greatest number of children, will receive special recognition. All are invited to attend.

 The evening services will be dismissed on account of the baccalaureate services at the city park at 5 p. m.
