VETERANS in harbor dist. ORGANIZE

The Progressive Veterans in the Harbor district met in the Moose hall, San Pedro, recently to organize their local congress.

The "Progressive Veterans of America," as its name tells, is an organization of war veterans who are progressives, and its objects are to obtain, through political action, social justice and economic security not only for veterans, but for every man, woman and child in the country.

Progressive-minded ex-servicemen and their wives, residing in the 68th assembly district, are eligible for membership in the Harbor district congress.

Three presidents of the local group were elected. They are Attorney J. E. Baum, past commander of the J. Franklin Bell camp 64 of the Spanish-American War Veterans; A. Goltzow, past commander of post 1254, Veterans of Foreign Wars; both of San Pedro, and B. O. Bertelson, World War veteran, of Wilmington, chairman.

COVERED WAGON DAYS

Redondo Beach will stage its second Covered Wagon Days celebration and contest rodeo next week, June 27, 28 and 29.

A. P. Entenza, member of the justice committee, past national commander of the Spanish-American War Veterans, was to have been the principal speaker, but could not be present.

Meetings will be held on the fourth Tuesday of each month. Charter members will be accepted up to and including July 23.

Organization dance will be given at 108th and Broadway on the 28th of June. An all-day picnic for the county organization will be held July 14th at Canyon Park, Monrovia.

The local secretary-treasurer is Walter V. G. Wolfe, senior vice commander Spanish-American War Veterans of San Pedro.

Redemption of Property Made Easy By Assembly Bill Just Approved

Redemption of property on which there is a tax delinquency dating from 1933 or prior thereto has been made much easier through the approval this week by Governor Merriam of Assembly Bill No. 1034.

Terms of this act make it possible for property owners to make complete redemption of such property by the payment of taxes alone, without any penalties, costs or interests.

This act does not apply to 1944 delinquencies, excepting where there is a prior delinquency on the same property.

In the event redemption is now being made on the ten payment plan, the owner is entitled to redeem on the basis provided by the new act and have a deduction for the total amount of all payments previously made.

A property owner also has the privilege of adopting the ten payment plan of redemption without penalties, but with interest at 7 percent per annum from July 1, 1934.

Where property became delinquent in 1934 and there were no prior delinquencies, the partial payment plan is also applicable.

Since the new act is the most liberal measure yet passed for the relief of property owners, tax officials are hoping for a large increase in delinquent tax collections.

Total unpaid tax delinquencies for the last five years amount to about \$38,000,000 in Los Angeles county. The delinquency for 1935 is expected to amount to about 11 percent of the levy, or around \$9,000,000.

Alice Marble, San Francisco's favorite tennis star, is now staging a definite comeback while competing in the California State Tennis Championships at Berkeley.

Maintenance For Lomita Sewers Provided For By Supervisors

Maintenance for sewers recently installed without cost to property owners of Lomita was provided for this week by action of the board of supervisors in annexing the area to the existing Lomita sewer maintenance district.

The area, now served by sanitary sewers installed by the Civil Works Administration and finished by the State Emergency Relief Administration, is bounded on the west by the Torrance city limits and an extension of the city limit southerly, on the north by 230th street and Lomita boulevard, on the east by the western boundary of the city of Los Angeles, and on the south by an irregular line extending between 261st and 263rd street.

TROOP NO. 3 DAVID POWELL, Reporter

The meeting was called to order when Jean Bordeaux blew assembly. The troop discussed and voted to have the meeting night changed to Friday night.

Mr. Brunzell awarded Bill Par-ton his tenderfoot card. "Pop" Jones awarded Addison Smith, Junior Fess and James Parks, their First Class cloth badges.

Inspection was won by Frank Mullen. Charles Schultz of the Ford agency, gave the troop a few moving pictures.

The meeting was closed by Melvin Benner who led the troop in the Great Scoutmaster's prayer.

County Surveyor Alfred Jones, appearing before the board of supervisors to answer questions, stated that approximately 22 miles of new line and house connection sewers had been laid by the federal-employed men during the last 18 months. This co-operation on the part of the federal government, Supervisor John R. Quinn also took occasion to point out, represented an outright gift of more than \$600,000 to property owners and residents of the Lomita district. As a result, formation of several expensive districts planned for construction of the sewers will not be necessitated. Pending now for the Lomita district are applications for a much-needed storm drain to drain the area south of the boulevard, and carry off waters that flow down upon the area from the north slopes of the Palos Verdes hills.
