## Too Much Expo for One Day

This young man has gone in the Land of Nod after a strenuous day at the Ford Exposition, Balboa Park, San Diego. With his head full of the sounds and sights presented by the twenty-seven exhibits in the Ford building, this young visitor is no longer concerned with the first car built by Henry Ford in 1893, alongside of which he fell asleep. The rapturous gaze he turned on the exhibits a few moments before has now been turned off while he catches up on his sleep.

## Good Averages Made By Men of Revolver Club

Hugh Eckersley Holds On Tight to First Position

The boys of the Torrance Revolver Club are getting right down to business with the prospect of some competitive matches with outside teams in the very near future. Eckersley, 262.12; Glidden, 245.66; Ashton, 243.31; Anderbe, 232.16; DeBra, 231.80; Bennett, 230.06; Drake, 227.66; Boynton, 215.75; Stanger, 213.90; Calder, 193.70; Schumacher, 191.93; Peterson, 190.75; Traviola, 180.14; Thompson, 185.50; Barnett, 185.33; Dolton, 182.90; Stroh, 160.30; Gilmeister, 159.66.

## GRAVES takes second in MILE RUN

Phil Graves, Hollywood high school distance runner, met his second defeat in the mile this season last Saturday when he finished second to Joe McNabb of the Los Angeles Junior College in the California A. C. meet held at Howard playground, Los Angeles. McNabb's time was 4:31. It is said that the boys may meet again next Sunday in the races to be held in connection with the sheriff's barbecue picnic at the California Zoological Gardens.

Graves also ran the half mile winning from John Casey, of San Pedro, who went the distance barefoot. Casey had run in the 10-mile event earlier in the day, and strained his ankle. His foot was so badly swollen that he was unable to get his shoes on for the 80 and ran without them to finish a close second to the Hollywood flash.

## Well, Anyway, He Fixed the Alarm

Police called Manager Glen Hammack of the Safeway Store on Cabrillo avenue early Sunday morning to investigate conditions at the store where the night officer had found the doors unlocked, the lock in the hasp and key in the lock. Hammack reported nothing missing after an inspection of the premises and identified the keys as belonging to an employe of a Los Angeles firm who had been sent down Saturday night to repair a burglar alarm. He fixed the alarm.

## Playground NOTES

Walteria playgrounds groups enjoyed an outing at the Hollywood Riviera club Tuesday, July 9, with about 30 youngsters attending, under the supervision of Karl Schmidt. Arrangements were made with the club to use the beach free and a small charge of one dime was made for the use of the plunge and dressing quarters. A city bus transported the kids to the beach.

The Pueblo children went to Cabrillo beach Wednesday, 35 attending, supervised by Directors Dalley and Hausano. Arrangements have been made with Mr. Lane of the Redondo Recreation department to take care of 20 Torrance boys on July 25, 26 and 27 at the beach camp. Charge for the three-day period will be \$1.09, which includes meals and all expenses. Those who cannot bring the cash may donate certain designated groceries.

Swimming, hiking, games and many other forms of entertainment will be provided. Boys who wish to go should get in touch with Mr. Donahue or any playground director.

Plans are now being made for a big field and athletic day to be held Friday, August 2. The events will include running, shot put, baseball and football throw, and many other competitive sports. The contestants will be divided into three age groups, those under 12 years in one group, 12 to 15 years, and those over 15 years. Prizes will be awarded to the winners.

The Post avenue playground baseball team defeated Pueblo last Saturday, 24-17, on the winner's diamond. Bob Yauncey led the attack for Post avenue with four hits.

The baseball schedule for the next week is as follows:  
Tuesday, July 16: Athletics, Herlet captain, vs. Yankees, Sleeth captain, at the ball park; Angels, Nady captain, bye.

Friday, July 19: Athletics vs. Angels, at the ball park; Yankees, A minor league for boys under 14 is now being formed. There will be four teams which will play Wednesday and Thursday mornings. Those who want to join, see Mr. Donahue.
