

### Union Services Will Be Held At Municipal Park

Protestant Churches Unite For Worship During Month of August

Union church services under the auspices of the Torrance Ministerial Association will be held at Municipal Park during the month of August. The services will be held each Sunday afternoon beginning at 5 o'clock and continuing approximately one hour. On Sunday, August 4, Rev. O. D. Wonder of the Central Evangelical church will be the speaker. On August 11, Rev. Kemp Winkler of the Methodist church will speak, and on August 18, Rev. George Elder of the Christian church will be the minister. The closing service on August 25 will have Rev. C. M. Northrup of the Baptist church as the speaker.

A large volunteer choir will sing and the various churches will also furnish special musical numbers. These Sunday vesper services are not simply for the members of the various churches but for all the citizens of Torrance. "Let us exhibit a civic pride in these vesper services that shall make them increasingly popular with all our people," says Rev. Wonder. "Be present next Sunday and every Sunday throughout the month of August."

### Funeral Services For Miss Munsie

Miss Helen Mary Munsie, age 48, 1515 Arlington avenue, passed away at her home Thursday evening, July 25, after a long period of ill health. Miss Munsie had been a resident of Torrance for six years, and was employed at the Torrance Laundry until about a week ago, when her falling health compelled her to give up her work. She was a native of Scotland, and came to the United States when about a year old. She had resided in this country 47 years. Christian Science services, with Frank Steinhilber as reader, were held Monday afternoon at 2 o'clock from Stone & Myers chapel, with interment at Forest Lawn, Glendale.

**CHRISTIAN SCIENCE CHURCHES**  
"Love" is the subject of the Lesson-Sermon on Sunday in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

A Scriptural passage includes these verses about Jesus, from Luke: "And it came to pass in those days, that he went out into a mountain to pray, and continued all night in prayer to God. And when it was day, he called unto him his disciples: and of them he chose twelve, whom also he named apostles: . . . And he came down with them, and stood in the plain, and the company of his disciples, and a great multitude of people out of all Judaea and Jerusalem, and from the sea coast of Tyre and Sidon, which came to hear him, and to be healed of their diseases; and they that were vexed with unclean spirits: and they were healed." One of the passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "Divine Love always has met and always will meet every human need. It is not well to imagine that Jesus demonstrated the divine power to heal only for a select number or for a limited period of time, since to all mankind and in every hour, divine Love supplies all good."

## MILLER FURNITURE MOVES TO BEAUTIFUL NEW STORE

Gala Celebration With Valuable Gifts Planned For 3-Day Opening; Store Open Evenings Balance of Week

Formal opening of the attractive and spacious new quarters at 1513 Cabrillo avenue of the Miller Furniture Company will be appropriately celebrated today, Friday and Saturday. The beautiful new store filled with new lines of home furnishings will remain open evenings for the balance of the week, and a cordial invitation is extended to everyone by Mr. and Mrs. J. E. Miller, proprietors, to come in and inspect the enlarged quarters. One of the features of the opening celebration will be the awarding of many worthwhile gifts, which will be available to every visitor whether a purchase is made or not. In fact, the entire three-day opening celebration is planned as a "ret acquainted" affair and visitors will be just as welcome to come and participate in the gift offering whether they buy anything or not. The large store building, formerly occupied by the Rappaport department store, has been entirely re-decorated and new lighting fixtures and display windows have been installed. The greatly in-

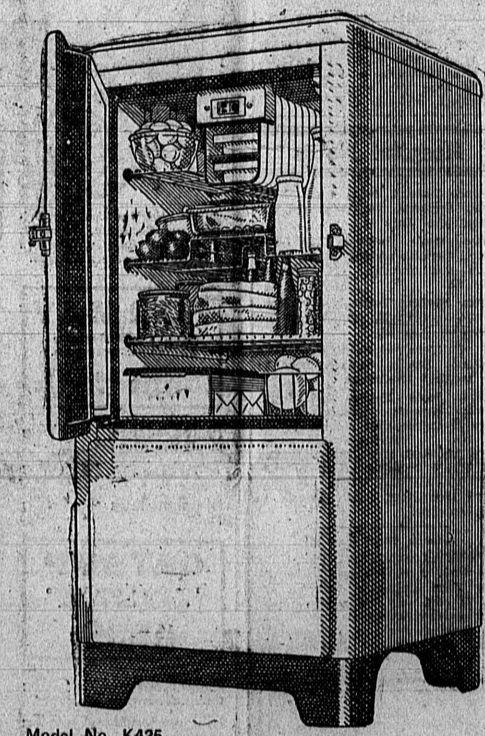

creased floor space provided permits of a much larger variety of home furnishings than was possible at the former location of the Miller Furniture Company on El Prado. Among the attractive new displays which have been added or augmented are Gaffers & Sattler's ranges and electric refrigerators, Norge electric refrigerators, Kelvinator electric refrigerators, Robert Brothers overstuffed furniture, mattresses and springs, Jackson-Bell radios, Armstrong and Tubco linoleum floor coverings, Alexander Smith rugs, Maytag and Automatic washing machines, as well as comprehensive assortment of dinnerware, window shades, and other items that are needed to furnish a modern home. A large department for used furniture is also provided. Pet Groundhog Stays at Home. CHICAGO (U.P.)—A baby groundhog was captured last summer by Billy Dunn. He fed it with an eye-dropper; and, last fall, turned it loose. It disappeared. This spring, however, a full-grown groundhog crawled from under an old shed to greet Billy.

**"Cooking With Cold" the Kelvinator Way Is a New Experience**

To the modern woman who looks on home-making as both a science and an art—who appreciates the importance of good foods and attractive meals appetizingly served—who must at the same time serve with economy—there is a strange fascination to the new Kelvinator art of "Cooking with Cold." Here, because of Kelvinator, who will find a new treasure-trove of abundant and different ideas in modern cooking, preserving and serving—nor has Kelvinator overlooked this modern manner in its literature. A beautifully illustrated book, filled with the product of the world's greatest experimental kitchen—the Kelvin Kitchen in Detroit—is free with each Kelvinator. With its reading, and the preliminary instruction which can be given by any Kelvinator dealer, will come a new vista of home-making. We will be glad to show you this book if you will drop in.
