Team Is Improved

Bluebirds Show More Pep and Class In Game Against Packards Friday Night

Although they lost, 8-5, the home boys put some pep into the game Friday night between the Bluebirds and the Packard Motors, who went home for the second time in a week with the long end of the score. Almost an entire new line-up took the field for the Birds. Only Speed Landroth, Ted Mott and Taylor were left out of the original squad.

Hollywood Here Tomorrow Night For Home Game

Murphy has rebuilt his team on home product lines, and all five of the new boys did exceptionally well considering that it was the first time out for all but Leland. Leland, Pete Zamperini, covered the bag in snappy fashion, and Pete had the honor of leading off with the first hit and the first run in a rally in the first inning with two out that netted three errors.

Murphy May Spring a Dark Horse In Chucker's Box

The Torrance Bluebirds met up with a whirlwind outfit at Montebello Tuesday night and were sunk 2-2. The Montebello team got a kick around, pretty freely in the first half, but decided they had had enough of that, so have collected an aggregation of stars who can hold their own in any company. Halladay pitched, and was effective.

Taylor chucked for the Birds. Joe walked several and was hit too freely in the first half. However, Murphy is not crying over the game as he says Montebello with that kind of a team could take anybody.

Tomorrow night the Hollywood Sheiks, winners of the first half, will play here. Perhaps there will be a big surprise in store for the Bluebirds and also for the Hollywood fans, if something goes out. The Herald is not going to spring it in advance, for fear that it may not come true. But if it does happen, there will be a chucker on the mound who is a chucker. If he shows up as promised the Herald will reveal his identity and past record next week.
