 A Bible selection in the Lesson-Sermon includes these words of James: "Let no man say when he is tempted, I am tempted of God: for God cannot be tempted with evil, neither tempteth he any man: but every man is tempted, when he is drawn away of his own lust, and enticed. . . . Wherefore lay apart all filthiness and superfluity of naughtiness, and receive with meekness the engrafted word, which is able to save your souls. But be ye doers of the word, and not hearers only, deceiving your own selves."  
 One of the correlative passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "Sorrow for wrongdoing is but one step towards reform and the very easiest step. The next and great step required by wisdom is the test of our sincerity, namely, reformation."
