

# TARTARS RETAIN TITLE AS LEAGUE CHAMPS

## MOHICANS OF GARDENA ARE TRAMPLED IN GREAT FINISH

Javens, McFadden and Luck Are the Scoring Aces In Final Tilt of Marine League Season Last Friday

By routing the Gardena Mohicans 19-0 last Friday afternoon, the Torrance Tartars, 1935 edition, retained their right to be hailed the champs of the Marine League. In spite of a 12-12 tie with Narbonne, which should have been a victory for Torrance, the Tartars as defending champions retain their title.

The Gardena game was a repetition of the Gauchon tilt, up to a certain point. Both teams were on edge, but the Tartars were out to clean up and put the game away as early as possible.

In the first quarter Amman intercepted a pass from Zaharias on the 45-yard line and tossed a lateral to Javens who fumbled but recovered, and later intercepted another pass from Zaharias on the 43-yard line but was run out of bounds on the 20 stripe. McFadden had the honor of scoring the first touchdown on a 25-yard pass from Amman. Javens failed to convert.

In the second stanza Torrance was penalized 15 yards for unnecessary roughness. Smith smeared a long pass. Javens carried the ball for two yards around left end. McFadden checks a punt and recovers for Torrance on the 20-yard line. Javens scored in the last minute of play on a pass from Amman, and again failed to boot the ball between the goal posts.

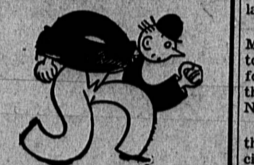

Javens intercepted a pass from Nelson and ran the ball back 50 yards. On the six-yard line Gardena held and a pass from Amman to Javens was dropped. McFadden gained 35 yards on an end-around play. Torrance was penalized 15 yards for holding. Luck snagged a pass from Amman and went 30 yards for the third score of the game and this time Javens' kick was good.

Gardena braced in the fourth and although both teams made yardage on passing plays, and McFadden went 15 yards on an end play, neither side scored. Torrance had the ball in the

### Torrance Again Champs Of Marine League

Hats off to the champions! Torrance high school is again champ of their league, winning for the second time in history the football title, 1934 and 1935.

The Tartars of Torrance have not lost a game for 13 consecutive games. In fact the last time to beat the Tartars was Bell high school, 1933, the score was, Torrance 6, Bell 46. Milton Everett being the only player in the league to score on the Bell team that year (a blocked kick).

Bell plays host to Torrance tomorrow in the last game of the year, the annual interlocking game between the champs of Pacific and Marine leagues. Last year Torrance defeated the champions of the Pacific teams, by a score of 7-0 against South Gate. Torrance should be out for revenge when they meet the Bell squad tomorrow, as Bell has always won with ease from the local players. A few years ago it was Bell that beat a Torrance squad 103-0, and was also the last team to beat Torrance, before they started their string of wins. Bell has a great team this year, but the locals should win, if they play the brand of ball that they have for the last two years.

International match races are scheduled and the meets are being held due to the fact that Eric Langton, the great British rider and the acknowledged champion of Europe, will stop in Southern California en route to Australia where he will race during the winter season.

Langton is the twice British individual champion, twice winner of the Star championship, and this season was the captain of the Belle Vue team which won all five of the British test matches against the Australian teams and who later won the National League championship of Great Britain.

shadow of the Mohican goal posts on the five-yard line when the gun cracked ending the last game of the Marine League season.

For Gardena, Robertson, Henderson, Wilhelm, McCoy and Crandall were the ground gainers. Henderson was off in the first quarter for what looked like a certain score, but his bad knee gave way and he fell before crossing the line and had to leave the game. Louie Zaharias and Howard Flint were also conspicuous.

Tomorrow Torrance goes to Bell for the interlocking game with the champs of the Pacific League, which game had been scheduled to be played here but due to the homecoming day arranged by Bell to celebrate completion of ten years of service by the Bell principal, the game was switched to be a feature of the day. This arrangement breaks up the plan to hold the annual cross country run as a feature of the between-halves period, and the run will be held at a later date, probably next week. The boys who have been practicing for this event are in shape now, but will have to delay the contest a few days.

The Tartars as champs of the Marine League will be entitled to represent this section at the football carnival to be held at the Los Angeles coliseum on November 27.

There is a possibility that through the ruling of the officials of the board of education that Torrance and Narbonne may have to toss a coin for the honor, since they are tied in the percentage column, but Torrance should have the honor since as defending champs they have not lost the title.

Cooks Faint At Festival OELWEIN, Ia. (U.P.)—Three cooks fainted during the "flapjack" festival here. The event required the services of 30 cooks, 1,500 pounds of flour, 30 gallons of maple syrup, 100 pounds of butter and 300 gallons of coffee. About 15,000 pancakes were cooked in three hours for 5,000 persons.

## Taft Is Noted For Impressive Aerial Attack

Boys From Northern City Meet Compton Jaysee Monday

Possessing one of the most vaunted aerial attacks of any junior college in the state, Taft Junior College will clash with Compton Jaysee on Armistice Day in one of the best jaysee inter-sectional games of the season. Taft is rated as one of the leading junior college eleven in Central California, while Compton holds the same distinction in Southern California. The game will be played on the Tartar gridiron and will start at 2:00 p. m.

Willard Tate, a former San Louis Obispo high sensation, leads the Taft offense. He is one of the best passers in junior college football and hurls the ball accurately more than 50 yards. On the receiving end of most of the tosses is Walter Wacken, a brilliant all-around end.

Dick Rodriguez, Tartar quarterback, is in top shape and is slated to start against Taft. Rodriguez is one of the greatest ball-carrying backs in Compton history and has no peers in Southern California jaysee ranks this year.

## Benefit Wrestling Show

Will Be Staged By the Torrance Elementary P. T. A. at High School

Stars of the amateur wrestling game will be seen here on Friday evening, November 15, in the annual benefit show sponsored by the Torrance Elementary Parent Teachers Association, which provides funds for welfare work among the underprivileged children of Torrance.

The show will be held at the gymnasium of the Torrance high school, where extra seats will be provided on the floor of the gym, to accommodate the overflow crowd which is expected.

All proceeds go to this charitable project, and the wrestlers take part for no compensation but the honor of victory.

To give a little added tang of interest to the bouts this year the navy is sending a team of eight picked men, entering one man in each weight division. Three landmen will be entered in each event, representing the Hollywood Athletic Club, Inglewood American Legion Club and the Los Angeles Athletic Club.

Such stars of the mat game as Art Hodge, employe of the National Supply Company, former Pacific Coast champion in the 176-pound division; Lou Redman, also a National Supply man, who holds the junior national title in the 166-pound division; Conrad Colwell, member of the 1932 Olympic team, national champion of the heavy-weight, 191-pound division, wearing the colors of the L.A.C.; Joe Taylor, Hollywood A. C. Pacific coast titleholder in the 165-pound division; Hunt, L.A. A.C. junior national champion, 136-pound division; and Olsen, 136-pound division, all service champion, who will uphold the honor of the U. S. armed forces. There will be 24 bouts in an elimination contest, covering the eight weight divisions. Admission to the show will be 35 cents for adults and 15 cents for juveniles. The wrestling fans of Torrance will see a real show, in which wrestling will be presented in its best features with none of the groans and grunts which make the pro bouts a comedy of faked anguish and fixed results. This is the third show of the kind which has been staged in Torrance by the P.T.A. and should draw a record crowd, as all bouts will be clean, fast and scientific.

## Star Bowler Will Be Seen In Exhibition At Local Alleys

Bowlers and movie goers will have an opportunity to see the star of "Strikes and Spares" in person, bowling an exhibition and giving two hours of instruction, who will appear at the Monticello Bowling Alleys, Wednesday, November 20, at 9:30 p. m., under the auspices of the Bowling Proprietors' Association of America in their educational tour of the United States. Extra seats will be added to accommodate spectators. A small admission fee will be charged, and the tickets are now on sale.

Andy is another bowler who has risen to fame in the last four years; as manager of a Brooklyn recreation in 1926, his climb into the field of national stars was rapid. In 1928 he won the individual championship of Long Island with an average of 213 for 150 games. In 1930, while in a double match game, he averaged 233 for 42 games. In Joe Thum's individual classic, which is New York's stiffest competition, his average over a period of four years was 221.68.

At Syracuse, New York, during the American Bowling Congress tournament, he won the A.B.C. sweeps, which were conducted at one of Syracuse's local establishments, from a field of 250 of the country's star bowlers, with a 1,750 score across eight alleys. His five-year average in the A.B.C. is 199.

Varipapa was selected by the Metro-Goldwyn-Mayer Picture Co. as their star performer in the making of the famous bowling picture "Strikes and Spares" which was shown throughout the United States during 1934-1935 season.

In addition to several world records, Varipapa has 30 perfect scores of 300 to his credit and each year finds him adding new records to his already long string of honors.
