Tartars Lose To Bell

Long Runs By Javens For Touchdowns Feature Dingdong Battle With Bell

Before a small crowd of about 800 people, mostly students, Bell, Pacific League champions, defeated Torrance, Marine League leaders, by the narrow margin of one touchdown, last Friday afternoon. The interlocking game, scheduled for Torrance, had been transferred to Bell because of that school's celebration of the tenth anniversary of the reign of its principal in connection with a homecoming day.

The Torrance squad was minus the services of its star end, Johnny McFadden, who was out with a bad knee. Had Johnny been in there to smear the plays, the result no doubt would have been different as all Bell's scores were made over the weak left end.

Bowling Star Here On Wednesday

Andy Varipapa, star of Metro-Goldwyn-Mayer's bowling picture, "Strikes and Spares," will be here next Wednesday, November 20, to give an exhibition at the Monticello bowling alleys. Varipapa will also give two hours of instruction on the art of sweeping the pins off their feet. He is the holder of several world's records, as well as national records, and has 30 perfect scores of 300 to his credit.

Javens and McFadden For All-Southern California Team

By Bob Lewellen

If the C. I. F., Los Angeles Board of Education and Southern California Amateur Association overlook the two Torrance high school sensations, Jack Javens and Johnny McFadden when picking their all-Southern California team this year, there is something radically wrong. Both of these two boys have been outstanding in their respective positions in the Marine League for the past two years. Both boys were picked by the coaches and newspapers for all-league berths last year, and have been picked by the newspapers this year. Both of these boys have received unanimous mention for their positions this year in the 1935 all-league team, having been picked by every coach and sports writer in the district.

Movie Stars' Idol Cast As Main Eventer At Westside

The popular Westside auditorium at 645 West Anaheim street, Long Beach, is making hay while the sun shines and has signed their new heavyweight sensation, Murray Britton, to fight the main event this Friday night, pitted against the Jewish heavyweight, Nick Basich. A number of promoters have been trying to land this match for the past month, but it was not until this week that Kid Mexico, matchmaker at the Westside, was able to get these boys to sign on the dotted line.

Carnival of Hits and Runs Scored in Sunday Pastime At Park

Faxman and Rief divided honors in the game between the City of Torrance and the St. Augustine Jrs. Sunday, each yielding three hits and one run to the visitors. Faxman struck out seven, and Rief two, giving the lanky young hurler whatever edge there was.

Kiwanis Club Cross-Country Run to Be Held in December

Sometime early in December is the time set for the second annual Kiwanis cross-country run. The event was to be held last week in conjunction with the football game, but when the gridiron battle was transferred to the Bell field, the men in charge of the run decided to have the event next month. A definite date will be announced in a few days.

Through The Telescope

Chuck Smith, Tartar fullback considers Charles Thomas a real pal. The reason: Thomas walked and tumbled rides 250 miles just to see Chuck play football against Bell last week. Little Louis Madore, class "B" Torrance high halfback ran a kickoff back 105 yards in the Gardena-Torrance "B" game last week. Madore picked up the ball 5 yards behind the goal and ran the entire length of the field for the only Torrance score in the game. Gardena won 13-6.

Yard-Hearth Team Goes Down Before Onslaught of the Foundry Outfit

The boys over at the Columbia Steel resumed play in the winter league last week-end and the results were some wild and woolly games with one big upset. The Yard-Hearth "Lucky Stars" after the game with the Foundry on Saturday were singing the blues while Manager Al Rice was wearing the big smile. The Foundry was hot Saturday from the catcher to the right fielder and the Open Hearth never had a look. Rice did no monkeying around

All-Sections On New York '36 Grid Card

Coast to Send Stanford; South, Georgia; Midwest, Notre Dame

By GEORGE KIRKSEY
United Press Staff Correspondent

NEW YORK (U.P.)—One of the most attractive inter-sectional football schedules ever arranged for one city will be played in New York next fall.

Fordham, Columbia, New York U. and Army already have booked eight inter-sectional games with leaders from other sections of the country. Manhattan College, which is gradually developing into a football power under Chick Meehan, is dickering for several inter-sectional games, which will probably increase the invading teams to 10 or more.

Three Southern teams, two from the Midwest, two from the Far West and one from the Southwest have been scheduled for New York appearances. Fordham has four inter-sectional battles, meeting Southern Methodist, Georgia, Purdue and St. Mary's. Columbia has two, playing V.M.I. and Stanford. New York University has scheduled the U. of North Carolina and may book another inter-sectional foe. As usual, the Notre Dame Army game will be played at Yankee Stadium.

Stanford to Return
One of the high spots of the 1936 season will be the return of Stanford to New York to meet Columbia. Stanford made its first trans-continental journey in 1928, when the Indians, then coached by Pop Warner, came to New York and conquered Army, 26-0. It will be the second game in history between Columbia and Stanford. The Morningside Lions defeated the Indians in the Rose Bowl game January 1, 1934, by a score of 7-0.

FEDERAL regulations to BE ENFORCED

SACRAMENTO, (U.P.)—Federal regulations governing duck hunting will be strictly enforced during the California season, November 20 to December 19 inclusive, officials of the fish and game division announced.

The rules include: Shooting permitted only between 7 a. m. and 4 p. m.; live decoys prohibited; no guns larger than 10-gauge permitted and repeater or automatic guns carrying more than three shells banned; no shooting from power or sail boats, automobiles, or airplanes; shooting confined to 100 feet from the shoreline, as determined by ordinary high tide, except where a continuous line of vegetation exists from shore, 100 feet from that line.
