Menus for Thanksgiving Dinner

Here are two menus, the first one the real old-fashioned Thanksgiving feast, the other sophisticated enough to meet the most modern taste; the first smacks of plenty, the other is more delicate and clean-cut.

OLD-FASHIONED

- Oyster Stew
Roast Turkey
Squash Souffle
Mashed Potatoes
Giblet Gravy
Cranberry Sauce
Molded Waldorf Salad
Nut Bread
Parker House Rolls
Mince Meat Custard Pie
Coffee

ROAST TURKEY

Clean, singe and pick over the turkey. Wash in salted water. It is a good plan to stuff the bird the night before cooking. When stuffed, place in a large covered roaster with a little water. Baste frequently until tender. Allow about 30 minutes to each pound. Reserve the liquid and add to it the previously cooked giblets which have been chopped fine. If your oven is too small to accommodate a large roaster you may place the turkey in the broiling pan and cover it with several

folded of cheesecloth. Pour about a pint of milk over this and continue basting until the bird is nearly done. By this time the cheesecloth will have formed a mask over the fowl and you can lift it off in order to brown the turkey, uncovered, the last hour of baking.

MODERN MENU

- Sea Food Cocktail
Roast Duck
White Turnip Cups with Diced Beets
Corn Patties
Riced Potatoes
Asparagus Salad
Parker House Rolls
Cranberry Pie
Coffee

ROAST DUCK

Clean ducks thoroughly, washing in cold running water. Wipe dry and stuff with sage and onion stuffing. Place birds in roasting pan with wings and legs tied closely to the body. Spread generously with fat and sprinkle with salt and pepper. Place in hot oven for 10 or 15 minutes, add 1 cup of water and reduce heat to moderate. Baste frequently while cooking allowing 20 minutes to the pound. When done remove ducks to platter, pour off most of the grease and make a brown gravy

with what remains in the pan. Or serve with orange sauce.

Your corn patties can be made delicious by mixing two cups of canned whole corn, two chopped hard cooked eggs, three chopped pimientos and one cup white sauce. Fill the baked potato shells with this mixture and sprinkle with grated cheese and browned bread crumbs. Reheat in a moderate oven until the cheese melts.

ceivable that this area might wish to form a city and county of its own to include several of the southeastern communities. It might be forced to take such a step in self-defense.

"Passing to the rich eastern and northern sections of the county, we find a number of thriving cities, would any of these desire to be cities and counties of their own or would they unite with the remainder of the eastern section to form one new county?"

"The picture we have presented is not overdrawn. Any new counties must establish and maintain a complete government with a new complement of officials and assistants. Instead of consolidation, we have disintegration and decentralization. Los Angeles county now is recognized throughout the world as the richest agricultural county in the United States. Dismember it and what have you?"

"Politically, it would be disastrous and would tend to shift the balance of power in the state government to the northern sections and would throw away the benefits of the long reapportionment struggle of the south for adequate representation in the state government."

Today, as three years ago, the move on behalf of Los Angeles city has started over the distribution of gasoline tax funds. In 1931-32 the county gave the city 50.3 percent of the total gasoline tax funds apportioned to the county by the state. To-

day Los Angeles city claims 56.2 percent of the population of the county and asks a proportionate increase in their share of the gasoline tax funds.

Supervisor Roger W. Jessup, chairman of the board's roads committee, is of the opinion that gasoline tax funds should be expended to build roads leading to Los Angeles as well as within the city.

"The county's aim is to develop a bigger and better county," the supervisor said. "The proposal of the city of Los Angeles to secede from the rest of the county would make this impossible."

Traffic Violations Mount BERLIN, (U.P.)—More than 10,000 motorists, cyclists and pedestrians have violated traffic regulations since introduction of stricter rules on Oct. 16. The number of accidents are decreasing, however.

Strong Man Steals Junk LYNN, Mass. (U.P.)—Police sought a light-footed, super-strong man after nearly two tons of junk was stolen. A ton of brass, 150 pounds of aluminum, and a half ton of copper were removed from Max Goldberg's shop.

Month's Term Fought 3 Years ST. JOHNS, Que. (U.P.)—Frank Clark, 50, has just been sentenced to one month in jail here for getting drunk in 1932. Clark had been fighting the case and had been out on bail since he was arrested three years ago.

APPOINTMENT of Jenkins is VETOED
Appointment of Richard S. Jenkins, 232 South Helberta avenue, Redondo Beach, to fill a vacancy on the city council of Redondo Beach, was vetoed by Mayor McClain, immediately after it had been voted upon at a meeting held last week. The mayor's action precipitated a councilmanic squabble, in which the city attorney supported the councilmen who had moved to appoint Jenkins, and Councilman Stockton backed up the mayor.
Redondo Beach is now operating under a city charter, which gives the mayor power to disapprove, or veto, certain acts of the council, rendering them of no effect. Mayor McClain invoked this power in setting aside the action of the council in naming Jenkins.
Suggestion that a straw vote be taken in the ward in which the vacancy occurred, was made, in order to give the people of that section the privilege of naming their own representative, who would then be formally appointed by the council. Whether this will be done is problematical as some opposition to the plan developed.
Jenkins, who operates the Shell service station on Cabrillo avenue, was formerly worthy patron of the Torrance chapter of the Order of Eastern Star.
Should his appointment be ratified by the people in his ward it is quite probable that he will be able to take his seat without further objection from the Redondo mayor.
