## Coaches' Selections

### Of All Marine First and Second Teams Announced This Week

Five members of the Tartar squad were chosen for positions on the mythical All-Marine team selected by the coaches of the league, which selections have just been made public. Six Gauchos representing Narbonne high school made the team, and Gardena and El Segundo are represented by one each, making 13 in all chosen for the first team.

Under the system of marking, and due to the conflict in the Notre Dame and the U. S. C. systems, used by the different schools, three candidates were chosen for quarterback on the first team, which left a vacancy in that spot on the second team. The All-Marine team is as follows:

McFadden (Torrance), left end, 9 points.  
Fhat (Gardena), left tackle, 10 points.  
Max Smith (Torrance), left guard, 5 points.  
Netupski (Narbonne), center, 9 points.

Mayer (Narbonne), right guard, 5 points.  
Brian (Narbonne) and Savant (Narbonne), tied for right tackle with five points each.  
Powers (Narbonne), Dennis (El Segundo) and Trezise (Torrance), tied for quarterback with 6 points.

Haslam (Narbonne), left half, 10 points.  
Javens (Torrance), right half, 10 points.  
Chuck Smith (Torrance), full back, 7 points.

In selecting the first and second teams, coaches picked out a man for each, giving them a rating of two points for first team and one point for second. The points were then totaled and the 22 highest were selected, being placed on the first or second team according to their total number of points.

The second team includes: McQueen (Narbonne), left end, 4 points.  
Scheliger (Leuzinger), left tackle, 4 points.  
Steinbizer (El Segundo), left guard, 4 points.

Paterson (Leuzinger) and West (El Segundo), tied for center with 2 points each.  
Gaston (Gardena), right guard, 4 points.  
Hayes (Torrance), right tackle, 2 points.

No quarterback selection, due to the three-way tie in the first team.  
Amman (Torrance), right half, 3 points.  
Robertson (Leuzinger), full back, 3 points.

Honorable mention was given to Luck (Torrance), Henderson (Gardena), Pitcher (El Segundo), Woods, Angelich, and Lupin (Narbonne), Peterson (Leuzinger) and Wilhelm (Gardena).

Luck of Torrance and Henderson of Gardena were regrettably passed over as first team material because of injuries which kept them out of most of the games. Luck was able to take part in only two Marine League games, against Narbonne and Gardena, but showed all-league caliber in these affairs. Had he played in more games he undoubtedly would have placed at right end.

## \$100,000 Gate Doubtful For Louis In Cuba

### Havana Ring Fans Only Mildly Interested In Gaztanaga Bout

By LAWRENCE S. HAAS  
United Press Staff  
Correspondent

HAVANA (U.P.)—Cuba's boxing fans, once numbering many thousands, but now fallen off considerably due to the decline of the sport on the island, are awaiting the projected Joe Louis-Isidoro Gaztanaga match, scheduled for Havana December 29.

The much-discussed \$100,000 gate, which is assumed to be already taken for granted among the American interests in the group promoting the fight, has aroused much comment.

Most of the leading sports editors and writers of Havana believe that a big gate is possible if the preparations for the match are intelligently handled, but when the question of one as healthy as \$100,000 arises, they are inclined to be skeptical.

Depends On Americans  
Adolfo Font, sports editor of "El Pais," thinks there is a chance to take in \$100,000. He told the United Press:

"There is no doubt that \$100,000 could easily be made if the right kind of publicity is employed. All sorts of excursions from the United States, especially from Florida, would bring thousands of tourists to Havana to see Louis in action."

Manolo de la Reguera, sports editor of "Avance," is not in agreement with Font. "The fight will be a good attraction for the winter season in Havana," he said, "but I doubt if it will bring a gate of \$100,000. The promoters will be lucky if they can take in \$55,000 on that fight. At least that's my opinion."

Pedro Galiana, sports editor of "Diario del Marina," is inclined to support de la Reguera. "\$50,000 Gate Doubtful

"One hundred thousand dollars for that fight!" exclaimed Galiana. "No, that is too much. I think that the Louis visit to Havana should be good for a big increase in the turnout of fans, but \$100,000 sounds like a lot of money to me."

American correspondents in Havana take a much gloomier view of the possible take than their Cuban colleagues. They are, for the most part, convinced that hordes of tourists are not ready to flock to Cuba simply to see the Detroit Negro in the ring, especially as the match involves no title, and is likely to result in a one-sided fashion.

## Recreation At City Park

Dale Riley, head of the recreation department, announces that he will be at the City park all day Friday and Saturday this week. All youngsters are asked to come to the park to take part in the games at this time, and get ready for the winter program of sports.

## No Hit No Run Game Paxman

With almost perfect support behind him, Carl Paxman last Sunday afternoon achieved the ultimate in every pitcher's life, a no-hit, no-run game. Carl let the San Pedro Knights of Pythias down nicely, allowing only two passes and striking out four men. Olsen's homer over the fence in the first with a man on base gave the Torrance hurler an edge which he kept during the entire session.

Opposing Paxman was Jerry Angelich, former Narbonne high school athlete, who also turned in a good card, but his mates lost, 6-0. Angelich struck out six and issued no passes, but the steady chucking of Paxman and the sparkling support of his mates gave the Torrance boys the game.

Immediately afterwards the K. P. manager made arrangements for a return game which will be played at an early date. This fray will no doubt draw a record crowd to the ball park, to see if Pax can repeat.

The K. P.'s will play the Lomita Merchants next Sunday at Lomita, and after that will be ready to take on Torrance again.

The splendid result of Sunday's game was a great tonic for Manager Wynegar who is recovering from a tonsil operation.

## Master Minds Bid Adieu to Their Readers

Today's issue of the Herald carries the last picks for the season of the so-called "Master Minds" whose antics have amused you since last September.

At present it looks as if the champ of last year, Lawrence Hinds of the Herald staff, will carry off the honors again. For a time Chris Adzovich had Heinie worried, but right now Chris is fighting for second place along with Spud Murphy and the sports editor. Murphy put on a phenomenal burst of speed in the last two weeks to rise up from fifth to third place.

Bob Lewellen and Dick Lockwood are candidates for the cellar spot. Bob stuck by U. S. C. through lean and fat days, and thereby lost a number of points. "Greater love hath no man than this," Lockwood got off to a poor start from which he has gradually emerged to go into a close race with Lewellen for fifth place.

For the benefit of Doubting Thomases, let it be stated here that all selections for this week's games were made before Thanksgiving Day. About half of the games selected for the score this week are to be played on that date, but the Master Minds chose their champions before turkey day, and not after the scores were announced.

The Master Minds had some tough games to pick, and although they lost a number of games, were still in good company with all the other alleged experts of the country. Too many under dogs had one good game in their systems that they sprung on the fans to upset all the dope and conquer better (on paper) squads. Tie games also played hob with the experts. Well, next year will be different, maybe.

## SCOUT NEWS BOY SCOUTS OF AMERICA

TROOP No. 3  
ADDISON SMITH, Reporter  
Mr. Brunzell, the new scoutmaster, took over the troop on Friday night, November 22. The minutes of the previous meeting were read and dues and roll call were taken.

Inspection was then held and it was won by Joe Stone of the Stag Patrol. Mr. Brunzell then gave a few announcements. A few games were played and the meeting was closed with the Great Scoutmaster's prayer, led by Melvin Benner.

## And He's Over For a Touchdown

Fullback Donnell of the University of Oregon, cracks the center of the University of Washington line for a touchdown. The ball is seen right under Nogowski (17), of the Huskies. The Oregon team staged one of the biggest upsets of the season to whip the Huskies, 7 to 6.

## Kings and Queens of Turf Will Be Nominated For Stake Race

The array of kings and queens of the turf who will be nominated next Monday, December 2, for the \$112,500 Santa Anita Handicap—to be run at Santa Anita during the racing season opening Christmas Day—will represent in total a sum difficult to value.

## NO TICKETS for old resident IN 17 YEARS

C. F. Fiesel, 1442 Carson street, puts in his claim to a corner in the Torrance hall of fame with the assertion that he has been driving for 17 years without ever having received a ticket for traffic violation. Mr. Fiesel has an extra claim to distinction in the fact that he is not only one of the most praiseworthy drivers but he is also the oldest resident in these parts. Oldest that is in the number of years he has been in Torrance. Mr. Fiesel has lived here for 42 years. He has seen Torrance grow up from a potato field to its present municipal magnificence, and hopes to stay long enough to see even greater changes in this section. Only one house had been built in this section when Fiesel arrived. For many years his driving was done behind a team of horses, with no traffic cops to worry about. Since he changed to the gasoline buggy his old habits of caution and safety first have clung to him with excellent results.

There will be some of the eligibles who were bought for mere songs and proved fine investments. Take Top Row A. A. little over a year ago A. A. Bayou of Reno claimed the undressed son of Peanuts for \$3,500. Since then he has beaten Discovery twice and has won \$38,120. And Top Row ranks right next to Discovery as the most favored horse to pull down the pot of gold in the Santa Anita Handicap. He will arrive within a few days.

Another case is Ted Clark. Some two years ago he was running in claiming races and could have been acquired for \$800.00. But in the main stake horses run into big money. More than 70 nominations are expected. When the number of outstanding stars are considered, a conservative estimate would value the eligible horses in excess of a million dollars.

## BRITISH VETS will institute NEW POST

Palos Verdes Post No. 77, Canadian Legion, British Empire Service League, will stage a gigantic open house celebration, Saturday evening, November 30, at the American Legion hall, San Pedro. At this meeting the post will receive the formal presentation of its charter, initiate members, install officers and dedicate its colours. The business session will be followed by a grand ball.

Palos Verdes Post has been formed for four months with a great record of achievement to its credit. Thirty new members have been enrolled, with additions at each meeting. The groundwork for a post of at least 100 members has been laid and it is possible that the membership drive will be successfully completed by next May.

Qualifications for membership are service in the armed forces or auxiliary of the British Empire with an honorable discharge from the service. A special invitation to attend the celebration on November 30 is extended to members of the American Legion Post of Torrance.

Football Team Presents Coach Donahue With Gift  
The 1935 Tartar football players presented Coach Bernie Donahue with a beautiful pen and pencil set yesterday afternoon. The presentation was made by John McFadden, all-league end, in behalf of the entire squad. The gift was given with the respect and love for their coach who has helped the boys to better fit themselves as future men.

## Herman Hamman to Play Against Loyola Sunday

For the first time in three years the football fans of Torrance will have the privilege of watching Herman Hamman, former Tartar right tackle and captain of the 1932 squad play football. Hamman is considered the best tackle to ever be produced on the local gridiron, he was a four letter man, playing in '29, '30, '31, '32.

Sunday afternoon, at the Gilmore Stadium when Santa Clara meets Loyola University of Los Angeles, the fans of Torrance will point with pride as the former local boy takes the field of play on the Santa Clara team. Coach Clipper Smith of the Broncs considers Hamman one of the best tackles he has ever coached, and expects the boy in his senior year to make the all-coast team.

## Big Six May Bar Drifting At Football Games

The problem of curbing drinking at football games, one which caused the Big Ten to take concerted action, has been attacked in the Big Six by individual schools. Nebraska and Kansas led the way with demands that public drinking stop, and now Missouri has joined the crusade.

According to President Frederick A. Middlebush, persons drinking openly in the stadiums will be escorted from the field and their money refunded.

## Shorts: Baseball, Football And Tennis

Friday, December 6 is the date set for the deadline on your choice for an all-time all-Torrance football team. If you have failed to send in who you consider the best players to ever see action on the local gridiron, now is the time to do so. Australia's Davis Cup Team is estimated to have earned \$10,000 for the Australian Lawn Tennis Association. Dutch Clark, former Pueblo high school and Colorado College and 1928 all-American quarterback is still going strong. Last year Dutch was voted the all-American professional quarterback and hopes to win the title again this year. This is his 15th year on the gridiron. Championship play-offs in the American Association followed by the "little world series" with the International League champions will be resumed next year, according to H. T. Hickey, president of the association. Tristram (Tris) Speaker, former outfielder of the Cleveland Indians and perhaps the greatest fielder in the history of the game, is executive manager of his own company. Johnny Risko, the former "baker boy" and at one time a contender for the world's heavyweight boxing title is now in the service station business, and has several real estate and rubber industry holdings.

## Last Inning Rally Puts Foundry In Front In Crucial Battle of First Half

The Foundry and Yard-Open Hearth met last Saturday in the crucial game of the first half and the Foundry won after an uphill battle. The Hearth jumped into an early lead but the Foundry kept playing headsup ball and finally won out in the last innings by a score of eleven to nine. By winning this game, the Foundry has just about cinched the first half championship as there does not seem to be any of the other

teams able to take them. The victory of the Foundry is a feather in the cap of Manager Al Rice whose team dropped the first game of the season to the Yard and in addition to losing one of his star players he has kept the boys on their toes all the time—and they finally came through.

In the game Sunday the Rolling Mill easily defeated the Sheet Mill, 20 to 2, although it must be said the Sheet Mill team was pretty badly shot up by most of their players not coming out to the game.

## North Defeats South In Annual Football Carnival At Coliseum

North defeated South in the annual P. T. A. football carnival at the Coliseum Wednesday for the third time, with a final score of 26 to 13. Narbonne and San Fernando high started the game and to the wearers of the Green and Gold went the honor of making the first score of the game

on a pass from Haslam to Powers. San Fernando came back in the next few plays to score and converted making it 7-6 in north's favor.

Torrance and Fairfax took the third turn, with the Tartars out-weighted 15 pounds to the man. Torrance tried a couple of flea-flicker plays, which had the Fairfax squad swept off their feet, but which failed because of ill-aimed passes.

Fairfax scored once on Torrance but were held twice-only yards from the goal line.

Other teams competing were North Hollywood and Bell in the second spot, Franklin and Fremont in the fourth, Venice and Los Angeles in the fifth, Manual Arts and Lincoln in the closing stanza. The highlight of the entire afternoon came when Washington, Negro quarterback for Lincoln faded to his own 20-yard line and threw a pass 65 yards to the Manual Arts ten-yard line.

Sixty thousand people watched the game, a record attendance for the affair.
