Easier, more economical Cooking with Low Temperature Oven

A new era in housekeeping begins with this new low temperature oven burner! For the first time in history it is possible to keep a gas oven at low even heat! Meat cooked the new, slow way retains its flavor and shrinks less. Oven canning is so easy in the low temperature oven. It gives proper heat for baking angel food cake, fruit cake, pot roasts, beans, meringues, macaroons, and other foods that require slow, even heat.
