Sleeper Is Held For Grand Theft

Torrance police officers who found Clifford Huckaby, 2401 Niles street, Bakersfield, asleep in a car at Hollywood Riviera Monday night and brought him to the station, found they had made an important arrest. Huckaby, it is said, is wanted in Bakersfield for grand theft. He was booked here on charges of possession of a deadly weapon. Car Lot Opened By Lewis Motors

With his new Torrance branch of the Ed. J. Lewis Motor Company at 1629 Cabrillo avenue, well established, Manager Earl H. Forbes announced the opening of a used car lot to supplement the Buick agency on the vacant plot of ground directly opposite the present showrooms. The Red Seal system of used car trading, sponsored by the Lewis Motor Company, will also be used exclusively regarding all units handled on the new Torrance lot. This system requires a seal to be placed on each car indicating that the car on which it appears has been thoroughly reconditioned by the mechanical department of the agency. In addition the seal entitles the buyer of the car to a 90-day unconditional guarantee. Thru this method the Lewis Motor Company attempts to avoid any dissatisfaction upon the part of a car buyer and at the same time to safeguard the dealer.

Sheets dump truck company at 190th and Main street, which when completed will give the concern a completely fire-proof building, 30x60 feet. The shop is constructed of steel tubing frame work, welded together, and sided with galvanized iron, attached to the frame with wire loops. The building is similar to the one occupied by the Barrington plant on Narbonne avenue which was constructed by the owner some time ago.
