

Easy Smith Asks Aid Of Court To Get License Renewed

Second Liquor Store In This District Takes Legal Action

Paul Smith, proprietor of a liquor store at 1669 Carson street, Torrance, and a restaurant adjoining, petitioned Los Angeles county superior court this week in an effort to compel the state board of equalization to restore his liquor license revoked several days ago.

Smith in his complaint asserts that he was given no notice when the state body revoked his license last Aug. 20. The state act provides that due notice shall be given, the complaint points out.

This is the second instance of a local liquor house proprietor appealing to the superior court to restore liquor licenses. The other was filed last week. Hearings are expected to be set shortly in Los Angeles. Several other similar suits were filed on behalf of liquor store operators in other parts of the county.

Burglary Charge Is Reduced

Charges of burglary and theft, preferred against Charles C. Redmon, Redondo Beach man, who was arrested at the Wellcome Inn last week, were reduced to petty theft, a misdemeanor, and Redmon made application for probation. Charges against Clay Thomas, held as an accessory, were dismissed. The case was transferred on a change of venue from the municipal court in this city to the Inglewood township justice court, Judge Frank R. Carrell presiding.

Three men, eighteenth out in five, were helped halves. Perfect game, the Merck game, the won in the League, helped o blows, tv bases.

PARADE OF GOLDEN MEMORIES TO RECALL STATE'S ROMANTIC STORY AT COUNTY FAIR

To its celebrated annual spectacle, Los Angeles County Fair has added history, commemorating the 100th anniversary of the coming of the Spanish to this section, communists and pioneer and historical groups from Santa Barbara to San Diego are joining in the presentation of a magnificent pageant parade, Sunday, September 20, re-enacting the glorious history of California. The procession will be presented at 10 a. m. and 7:30 p. m. The pictures are typical of the floats entered. In the upper left corner is Forti-fico Palomares, grandson of Ygnacio Palomares, one of the original first Spanish settlers.

Police Phones Are Recovered

A 13-year-old boy residing in the shoeing strip waited a bit too long to return the pair of telephone instruments taken from the Revolver and Rifle Association range a week ago, and therefore was subjected to questioning by Captain John Stroh and Probation Officer E. F. Grubb Monday afternoon.

Officer Frank Schumacher, who had overheard two boys in conversation at the ball park regarding the phones, furnished the clue to the missing property and Capt. Stroh paid a surprise visit to the lad's home where the phones were hidden under the house.

On recommendation of Grubb the boy was placed on voluntary probation as it is his first offense and he promised to keep out of trouble in the future. He was also required to earn enough money to pay the association for the expense of putting in new batteries, about \$3.50, within 30 days.

The phones are back at the police station where they will be kept while not in use at the range, the association saved its reward, the boy's conscience is relieved and everybody is satisfied.

Trial Set For September 14

Forest McKinley, who was arrested in Redondo Beach recently and given a preliminary hearing on a grand theft charge in the Hermosa Beach police court last Friday, was held to answer to superior court. His trial has been set for Sept. 14. McKinley was released on \$500 bail. Donald Kedzie, alleged accessory to the act, was also held.

Major Bowes' Amateurs

Sign For Series of Broadcasts To Advertise Dodge and Plymouth

Major Bowes, whose radio amateurs are known in every hamlet and city, every farm house and mountain cabin from coast to coast and border to border, will make his debut on Thursday evening, Sept. 17, with a new sponsor, at a new hour and over a new broadcasting net work.

Will Sell Cars

This announcement came this week from Walter G. Lynch, Redondo Beach Dodge and Plymouth dealer, the reason being that the famous Major has left the payroll of the sponsor who made him famous—Chase & Sanborn Coffee Co.—and has signed for a series of broadcasts for the Dodge and Plymouth motor cars from now on, and all dealers are looking forward to as great an increase in sales as that experienced by Chase & Sanborn in the sale of their coffee.

Now On C.B.S.

The new program—which is not new at all, being the same amateur show as before—will be released from station KHJ over the Columbia Broadcasting System every Thursday evening from 6 until 7, Pacific time. The broadcast will carry to 90 of the C.B.S. stations.

Salesroom Balloting

A unique feature of the broadcasts will be the voting by listeners for favorite amateurs heard on the program. The balloting will be done in the Dodge and Plymouth salesrooms on ballots procured from the dealer.

Another feature will be the installation of Philco radioris in salesrooms to bring in the Major and his amateurs. Arrangements have been made with the Philco people to supply these radioris.

Walter G. Lynch invites all interested in the program and wishing to cast votes to use his showrooms and to receive the necessary voting blanks. The salesrooms are located at 312 South Catalina, Redondo Beach.

Histories In Brief of Business Directory Advertisers

Mr. and Mrs. Charles B. Dunham, owners and managers of the Dunham Service Station and Garage, came to Torrance over 12 years ago.

Mr. Dunham came to California from Boston, Mass., and was employed in the oil fields here. At the time of his arrival he, like many others, found Torrance crowded to overflowing and was forced to live in an ordinary car garage with four other men at a monthly rent of \$20.

After their marriage the Dunhams bought over an acre of land in Keystone and built their home there. When the Mattoon Act was put into effect their taxes became so great that they actually gave their property away to avoid the high expense.

The advertisement for the Dunham Service Station and Garage is found below under Service Stations.
