We Invite You To See
THE NEW MAYTAG

MODERN BEAUTY COMBINED WITH A WEALTH OF PRACTICAL FEATURES AND NEW DEVELOPMENTS

We present this new Maytag washer, confident that it does credit to the greatest name in washer history. Its beauty reflects the modern trend for smooth flowing lines. Its quality is worthy of Maytag tradition. It includes the fundamental features which won world leadership for Maytag, and many improvements developed by Maytag's skilled, experienced engineers. The reasonable price of this new washer is made possible by Maytag's tremendous resources, and the finest equipped washer factory in the world.

MANY FEATURES AND ADVANTAGES

There are some forty different features in this new Maytag that merit description, but only a few can be mentioned here.

- Full-sized Porcelain tub—easy to clean • Top of tub curves inward to form a splash crown • Lid has rubberized edge to keep in water heat • Gyrator washing action, originated by Maytag • Sediment Trap to collect loosened particles of dirt • Auto-type shift lever to start and stop water action • Quiet, oil packed enclosed drive • Famous Maytag-built wringer with divided frame, balloon rolls, single lever control,

enclosed, self-reversing drain and other features • Large, spring-equipped, easy-rolling casters and a score of other advantages—all built the Maytag quality way even to the smallest hidden working part • Come in and examine this fine washer • Powered with the famous Maytag gasoline Multi-Motor for homes without electricity.

To appreciate the value of these features and the thorough quality throughout the washer, you must come in and examine it. Our easy payment plan will interest you.
