Herald Adds New Feature To Its Pages

Women Interested In Crochet May Obtain New Patterns

Beginning today the Torrance Herald will offer a series of new patterns in crochet work which will be available to women readers at a small cost for directions.

Patterns in this series cover a wide range of ideas, from pot holders to blouses. The designs are novel, and full directions are sent for the making. Just send a stamped, self-addressed envelope to the Crochet Bureau, 522 Fifth avenue, New York City, together with the name and number of the pattern you want.

Look for the patterns each week on the Woman's Page of the Torrance Herald.

Rotary's Stag Huge Success

With an announced objective of "getting the club members acquainted" the Rotary Club's stag party held last Saturday evening and Sunday has been pronounced a huge success by the thirty members who attended. The affair was held at the mountain cabin of President Charles V. Jones at Glenn Ranch.

Bill Rojo proved himself a master at the barbecue pit as he served his fellow club members with large portions of toasted shortribs, chili beans, and all the other trimmings which comprise a real old Spanish barbecue. He was assisted by H. E. Appenzeller and Host Charlie Jones.

Highlight of the entertainment at the cabin was a mock trial in which John McMillan presided as judge and Torrance Welch and Don Findley were the opposing attorneys. Harvel Guttenfelder was the betrayed "girl" and Dave Roberts, the defendant. Star witness was Dr. R. A. Bingham.

CURRENT AFFAIRS at TORRANCE HIGH

By JOHNNY McDONALD

With the starting of the new semester, a new staff for the Monthly Flame has been appointed. A partial list follows. We will publish the entire list later.

Editor, Irma Shafer; associate editor, Daphne Landreth; joke editor, Norma Jacobs; circulation manager, Harvey Abramson.

This year there is no publication group, nor is there a journalism class. When asked the reason for this last being omitted, the journalism instructor claimed there was no co-operation in getting out a daily, and the printshop instructor has said in the past that the journalism class give him little or no co-operation.

Later on I will probably be asked to take back the above.

During the football season, an absence of strong men may be noticed during the latter half of the noon hour on certain days. The reason for this is that skull practice is being held. All the football team attends and gets the different plays drilled into their skulls; hence the name.

A few weeks ago, it looked as though someone had practiced on Bob Tolson's skull. He had a scraped place under his left eye, his lip was cut, and he had quite a scrape under his chin where the helmet strap cut him when some big brute hauled on Bob's helmet in an attempt to unscrew his head.

The most gratifying news that has reached the high school in a long time is the announcement that the school has again been placed on the list of accredited high schools for admission of students into state universities and other state schools. Word from the University of California board of examiners brings this information.

Further indication of the increased efficiency of the Torrance high school is shown in the commendation of the authorities of Compton Junior College, which is the second stage of education for many Torrance graduates. Students there last year made such excellent showing in grades that Principal Thomas E. Elson was given permission to name two local students to receive scholarships at jaysce. A general scholarship has been awarded to Eleanor Smith, and several candidates are under consideration to receive a scholarship in music.

Observation of Constitution Day last Thursday took the form on an ad. call with an appropriate program. One of the features of the day was the visit of Louis Zamperini, graduate of the winter class of 1936, who was a member of the United States Olympic Games team in Berlin this summer. Louis was interviewed by Coach Bernard J. Dohahue for the benefit of the students, and gave an interesting review of his trip. Questions from the audience brought out some unexpected and amusing sidelights of Louis' Berlin tour.

Six boys will be chosen out of the agriculture classes to represent Torrance high school in judging contests at the Los Angeles county fair on Sept. 25. They will be selected from among the following: Stock judging, Ray Richhart, Forrest McHenry, Art Hedrick; dairy judging, Joe Kalina, Ernest Roberts, Joe Bay, with Akira Nakamura and Masahara Hata as alternates; poultry judging, Harold Trezise, Wilbur Franklin, Ray Bailey, with J. Haruki and Milton Carlton as alternates.

Reception for WALTERIA Teachers

Under the auspices of the Walteria Parent Teachers Association, a reception was held last evening at the school for the Walteria teachers. A large number of the friends and patrons attended. Short addresses were made by the members of the staff, including Principal Arthur E. Paine, who expressed optimism over the work planned for the coming year.

Teachers at Walteria this year are: Mr. Paine, Mrs. Elizabeth Chalker, Miss Gertrude Woods, Mrs. Edith Holliday, Mrs. Daisy Russell and Mrs. Dorothy Kellock. Refreshments of cake and coffee were served at the close of the evening. Refreshment committee included Mrs. Elsie Minor and Mildred Gouker. The entertainment committee was Mrs. Deasie Crowthers, Mrs. Thelma Andrews, and Mrs. Vera Murray.

Fidells Club Has Bunco Party

Mrs. S. Clyde Murray was hostess yesterday to the Fidells Club of Walteria meeting for one of their charming social affairs. Luncheon was served to the following guests: Mrs. Chester Kohler, Mrs. Oliver Hamilton, Mrs. Weddle, Mrs. Effie Palmer, Mrs. Clyde Getchel, Mrs. Anna Fuller, Mrs. Lena Mangus, Mrs. Henry Conze, Mrs. George Opatos, Mrs. Roy Sage and Mrs. William Crowe.

The afternoon was spent playing bunco with prizes to Mrs. Palmer, second to Mrs. Hamilton and consolation to Mrs. Weddle. The next meeting will be held October 14 at the home of the club president, Mrs. Dick Lassen. Plans are now being made for a Halloween party on October 29 to be held at the Mangus home in El Monte.
