Poncho Is Out On Crutches

Poncho Fabregat, popular baseball player who was confined to the hospital for a month with a broken leg, is able to be out on crutches. Poncho left the hospital last week, and is around town getting acquainted with the folks. His leg will have to remain in a cast for some time yet, and it will be some weeks before he is fully recovered.

180,000 words and 150 pages of photographs has been completed as a WPA writers' project.

Our battery service men are experts. They know what to do to help you get the MOST from your battery. Often they are able to prevent unexpected battery failure that would be expensive and inconvenient.

No matter what make of battery you own, this "service test" is FREE, and will help keep your battery at its best. Drive in NOW—before you forget it.

Clyde Beatty and His Wild Animal Show Seen In Long Beach Two Days

The world's largest circus, traveling on three trains of double-length steel railroad cars, with 1030 people, 30 elephants, 812 menagerie animals and 500 horses will exhibit in Long Beach, Saturday and Sunday, Oct. 3 and 4, and throught this section plans are perfecting for the attendance of every man, woman and child—so it seems—at one of the performances.

Wanda Wentz and Old John, 12½-Year-Old Elephant

Everybody wishes to see the Cole Bros.-Clyde Beatty circus this year, which last year returned from a triumphal five-year tour of Europe, and it is a foregone conclusion that the world's largest tent, seating 10,000 persons, will be filled to the last chair afternoon and night. Six rings and stages and the hippodrome track, to say nothing of the vast aerial maze for the earth's foremost acrobats—400 acknowledged kings and queens of daring, grace, skill and incredible agility. Sixty clowns will project ten times that number of mirth waves. Countless new foreign features and innovations new to America are introduced on the gigantic program of the world's greatest amusement institution. Clyde Beatty's gigantic trained animal exhibition will be presented in the main performance.

Throught circus days the three gigantic tented stables of the Cole Bros.-Clyde Beatty organization will be open to the public free of charge. Here lovers of fine horses may view at random hundreds of the world's most beautiful thoroughbreds. Perfect specimens of almost every known strain will be found in the big show's great free horse fair which also includes a congress of tiny Shetland ponies to delight the little folks. One of the largest, finest and costliest street parades will be seen at 11 a. m. Hundreds of horses, five herds of elephants and two caravans of camels from the great desert will be seen. In the picturesque line of march will be more than three score elaborately carved and gilded allegorical floats, tableau wagons and open dens and cages displaying the Clyde Beatty menagerie. Doors to the big show and the menagerie will open at 1 and 7 p. m. The big shows start at 2 and 8 p. m.

Lower Permit Fees To Hunt In Mexico

Charges to Hunting Club Members Have Been Reduced

Lower permit fees and more lenient restrictions are being accorded American hunters desiring to try their skill in Lower California and other Mexican states, it is reported to the outing bureau of the Automobile Club of Southern California. The former charge of 80 pesos for a hunting permit has been reduced to 50 pesos when used in only one state. The 50 pesos rate applies to permits good anywhere in Mexico. To qualify for these rates the applicant must be a member of some sort of hunting club in Mexico that has been duly registered with the fish and game department of that country.

Must Obey Laws
If the hunter operates only in one state his stay cannot exceed 80 days. The national permit is good for six months. Americans and other foreigners must be governed by immigration regulations and cannot remain longer than is permitted under rules of that department. Specified limits for doves are 15 a day or 50 in the hunting season. The limit for geese is 10 a day or 25 in the season.

Information Available
Information governing wild game as well as applications for permits are available at the fish and game department in Mexico. Lower California. The automobile club's outing bureau has compiled a log of Lower California and the Gulf of California listing customs and immigration regulations, locations of hotels, auto parks, trailer space and camp sites, and yachting, fishing and hunting areas. The booklet, available to members, contains a detailed map showing ports of entry, anchorage, lighthouses and types of fish and game to be found at various points.

Treize Is Lost To Tartars for Several Weeks

Veteran Backfield Man Snaps Elbow in First Practice Game

In the first play of the first practice scrimmage of the season Coach Bernie Donahue found himself up against the necessity of revising his whole scheme of football tactics, when Right Half Bobby Treize was taken out of the game with a fractured elbow.

The loss of their best punter is a cruel blow to the Tartars who were depending on the distance and accuracy of Bobby's boots to get them out of tough holes, and put the opponents on the defensive. It is too late in the season to develop another star, and the Torrance tribe will have to depend on their old fight and passing attack to make their gains.

Donahue has switched Schmid to right half and will use Radford at fullback, and hopes to find that this combination will click as well as his original line-up. Jimmy Amman takes care of the left half position with Louis Madore at quarter.

The Tartars showed up well in their practice scrimmage against Jordan and will go against the Banning squad in a regular practice game tomorrow afternoon.

Games in the Marine League will start Friday, October 9, with Torrance meeting Leuzinger at the Hawthorne field.

Doves Go South For the Winter

Dove hunters must turn southward to catch up with their feathered quarry. All counties report heavy migration, according to word received by the outing department of the National Automobile Club. Great flocks of doves are sighted flying in Imperial Valley and good shooting should continue there. Indications point to good quail shooting in San Diego County when the season opens. Many coveys have been sighted in the vineyards.

Giants Are Cut Down

Lomita Merchants Defeat Star Colored Aggregation In Hot Game Sunday

Like the mug that went to the watercooler once too often and got broke, the Los Angeles Colored Giants came down to Torrance one time too many and stubbed their toes on the hard-hitting, hard-fighting Lomita Merchants who put the horsecollar around the Giants' necks for a 7-5 score last Sunday afternoon.

A crowd of about 800 fans watched the decline and fall of the Ethiopian empire. The crowds are getting bigger every Sunday and the games Manager Walt Morris untaps for their benefit are getting bigger and hotter as the weeks go by.

The Giants started off in their usual carefree way with a score in the first. Their lead lasted exactly one inning. The Merchants dug their spurs into Farley and galloped around the paths three times on a total of four hits.

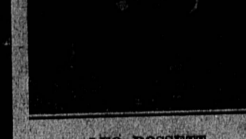

The Giants were gazed but daring. They came right back with another run in the third and two more in the fourth.

The Merchants put on their riding clothes again and hacked out another run to tie up the score.

Athletic Club Meets Tonight For Business

Adoption of Bylaws and the Reports of Committees On Tap

The sports editor pulled a bonner last week in announcing the meeting of the Torrance Athletic Club for last Thursday night. The session will be called to order tonight, Oct. 1, in the regular meeting place, the old council chambers.

Further consideration and adoption of the by-laws will be on the order of business. Report of the committee appointed to look into the matter of organizing an eight-team basketball league will be heard.

Membership application blanks have been printed and will be ready to hand out to the teams captained by Speed Landreth and Lou Redman and they will them be ready to go out after new members.

All present members and those who wish to join are interested in the project are invited to turn out tonight at 8 o'clock to attend this meeting.
