

Champion Hinds Way In Front On Second Round

Master Mind Nichols Hits Two Games For Identical Scores

Champion Master Mind Perry Hinds flashed to the front over the Herald pickers for the second round of the football season with a perfect score of ten winners for a total bonus of 100. Hinds missed the scores by a total of 77 points, making him a net gain of minus 23.

Master Mind Fred Nichols was the only picker to hit scores on the nose. Fred came thru with two identical picks, U. C. L. A., Montana, 30-0, and S. F. U., San Jose, 13-0.

The sports editor pulled up a notch by taking nine games out of ten but went wide on the scores and finished up as usual in the cellar.

Standing of the pickers for the week:

Compton Jaysee Meets Fresno At Home Tomorrow

Powerful Northern Squad Is Expected to Give the Tartars a Battle

One of the hardest-fought gridiron tilts in this section will be waged at Compton on Friday, when Gordon Clark's Compton Junior College varsity eleven clashes with the powerful Fresno State College frosh in a nocturnal encounter. The kick-off for the Tartar-Bullpup game will take place at 7:45 p. m. A capacity crowd of 6,500 people is expected to witness the contest.

Having uncovered a new half-back and a new right end, the Compton eleven will be a greatly improved team and is conceded a slight edge. The two Tartar pignin carriers, Zip Kennedy and David Mushkain, will again alternate at the quarterback and fullback posts, which they did so effectively against Riverside last week.

The Bullpups have one of the strongest elvens in years and the largest squad in history. The Fresno fans are confident that their freshman squad will put up a great fight and may give the Tartars a big surprise. Last year the Fresno team held the Tartars to a slim 8-6 victory.

Lions and the Gaels Will Whale Each Other Sunday Afternoon

LOS ANGELES.—Two of the strongest "major independents" on the Pacific coast will clash next Sunday afternoon, Oct. 11, in the coliseum when Coach Slip Madigan and his St. Mary's Gaels tangle with Coach Tom Lieb's Loyola Lions.

It will be the first time in history that the two teams meet with the colorful Gaels matching man-power and strength against the speed and deceptiveness of the Lions.

Barring injuries from the California game, Coach Madigan will send his full strength against Loyola. At ends will probably be John Giannoni and Jim Austin. Tackles will be Jerry Dunderlain and Bill Wilkin; at guard will be Mart Kordick and John Conlee. At the pivot position will be Wally Gardard.

In the backfield some of the boys who will see plenty of action will be Louis Perry at quarterback; Lou Rimassa, left half; Les Groux at right half, and Floyd Maxham, who Coach Madigan believes to be the most outstanding back on the coast, at fullback. Maxham is a real triple-threat man.

Coach Tom Lieb will probably have Babe Agamenoni and Tom Wilson at the flanks; Si Dallmeire and Steve Thomas at tackles; Einar Klauson and George Ratkovich at guard, with Bill Rozier at center. The Lion backfield for the St. Mary's game will probably shape-up somewhat like this: Joe Labozetta, quarterback;

Tartars Beat Banning

(Continued from Page 6-B) today's game will include Army Dowell at center; Red Slover, right guard; A. Shimatsu, left guard; J. Bay, left tackle; J. Miles, right tackle; R. Tolson, left end; L. Benner, right end; W. Stuart, quarterback; W. Taguwa, left half; R. Goette, right half; Reggie Smith, fullback.

Narbonne high school held the strong Redondo Beach high team to a 14-9 score in their practice game last Friday, and tomorrow will take on the El Segundo squad at El Segundo. This game will be no cinch for either team. El Segundo has come up this year with a strong team which defeated North Long Beach recently by a decisive score and is composed of veterans who are out after a championship for their school this year. This game should be one of the most hotly contested squabbles of the present season.

San Pedro, the newcomer to the league, tackles Gardena on the latter's home field. It should be a practice game for the port boys.

Chambers Will Try to Crack Track Record

Southern California champion. That's the title to be won by one of the 40 motorbike pilots who race at Atlantic boulevard stadium Friday night. With new faces from the east, northern California record breaking competition is assured.

Miny Wain, the veteran rider who is leading in points, will defend his laurels against such stars as Pete Coleman, Dutch Muller, Shorty Campbell, John Diehl, Jack Bechtold, Tom Cox, Snooks Blankenburg, Ed Hinkle, Ed Kretz and many other stars.

Of interest to veteran fans will be the attempt of Sid Chambers to break the track record. Sid has been riding for 16 years and on Friday night he will be started by A. F. Van Order who gave him the flag 16 years ago in his first race.

Floyd Clymer also states that he has a cablegram from the crack English National League star, Wal Phillips, stating that he will ride for Clymer Oct. 30 in a special international match race series. Phillips is en route from London and will stop over here on his way to Australia where he rides this winter as a member of the British test team.

boys looked fair in the game, and show promise of developing fast.

Well it begins to look as though the Tartars are going to show some fight, but there is a lot of room for improvement, and the boys will have to play better ball than last week, and fight harder to go very far in the Marine league this year.

As Seen Through The Smoke of My Pipe Little Jimmy Grubbs, former great center of Torrance and now attending Stanford University, a sophomore, had the honor of being mentioned in one of the annual football magazines this year, as an outstanding left half back for the Stanford Indians. So keep your eye on the former "carrot topped" boy of Torrance...

All of these boys are on the first string varsity, and are plenty good. Pity the poor yell leader, when some of the boys make a good play...

Not a pass was issued by either Hamilton or Horne, but the visiting fireman had the best of it in strike-outs, setting down nine Merchants to three whiffed by Hamilton.

Next Sunday the Whippet Gasoline team is expected for a game and the Los Angeles Colored Giants are begging for a return date to wipe out the sting of the defeat handed to them recently. The crowds attending the games are increasing each Sunday and the games are always first class sports events.

No admission is charged, but voluntary contributions are more than welcome to help de-

fray the expenses of the games.
