

Odd Accident Injures Man

Sam Gourley, 608 So. Guadalupe, Redondo Beach, is being treated at the Jared Sidney Torrance Memorial hospital this week for severe injuries received yesterday in an odd accident on the state highway near Waleria. Gourley's car was being pushed by another machine driven by Pat Kinney, 931 W. 11st street, and when the engine finally turned over and Gourley was able to proceed under his own power he turned his head to locate the pusher car. His machine ran into the curb and turned over, pinning Gourley underneath. He received severe friction abrasions and possible fractured ribs. Stone & Myers ambulance was called to remove him to the hospital.

CHRISTIAN SCIENCE CHURCHES "Probation after Death" is the subject of the Lesson-Sermon on Sunday in all Churches of Christ Scientist, branches of The Mother Church, The First Church of Christ, Scientist in Boston, Massachusetts. The Golden Text is from Job, "The righteous also shall hold on his way, and he that hath clean hands shall not be stronger and stronger."

The Bible selections in the Lesson-Sermon include Jesus' words, from Luke: "No servant can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon;" and Peter's words, from his second epistle: "The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance."

The Lesson-Sermon presents also this statement from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, "The divine method of paying sin's wages involves unwinding one's sin, and learning from experience how to divide between sense and Soul."

Reaves Spikes Campaign Rumor

Fred Reaves, candidate for the assembly by the 68th Assembly District and campaign chairman for Roosevelt-Garner campaign, stated that at least 20 people have pulled the campaign button off his coat during the last week to examine it. It seems some one started the rumor that these buttons were made in Japan. As a matter of fact they are made in the U. S. A. and carry the union label as does all the literature sent out from the headquarters. Headquarters have been established in both Torrance and Lomita and Mrs. Edith Miller is in charge of the woman's division of campaign whose responsibility is the precinct organization.

Reaves predicts that the 68th Assembly District will go for Roosevelt about six to one, though this is subject to last minute revision. It may be even higher. Wilmington will stage a Democratic rally at the Wilmington Bowl on Sunday the 25th, at 2 p. m.
