**Cooking School Recipes**

Following are the recipes demonstrated by Nina G. Abbey, home economist, at the Torrance Herald-Union Ice Company Cooking School on Friday, October 23, the final day of the school. Copies of the recipes demonstrated on Wednesday and Thursday were published in last week's issue of the Torrance Herald and Lomita News.

**MINT SHERBET**  
 6 lemons  
 2 oranges  
 1 egg white  
 2 cupfuls sugar  
 2 cupfuls water  
 1 lemon rind, grated  
 1 cupful mint (cut up fine)  
 Green coloring  
 Method: Place the grated lemon rind in the juice of the oranges and lemons. Boil sugar and water to a thin syrup, pour over the mint. Cover and allow to stand one hour. Strain and add the liquid to the fruit juice. Add a few drops of green coloring. Cool, and add the beaten egg white. Freeze in the ice cream freezer. Serve with Luer's lamb.

**PEANUT BUTTER AND BACON SANDWICHES**  
 1/2 cup chopped Luer's cooked bacon  
 1/2 cup peanut butter  
 1/2 cup butter  
 1/2 cup Golden State milk  
 Method: Cream peanut butter and butter until smooth. Thin with Golden State milk until of a consistency to spread easily. Add Luer's bacon and mix in. Spread on Weber's graham bread and cover with slice of white bread. Enough for eight sandwiches.

**MACARONI SALAD**  
 Cook 1 cup macaroni in five cups boiling water, with 1 1/2 teaspoons salt, until tender. Drain, cool, and add 1/2 cup chopped celery, 1 teaspoon minced onion, 1 teaspoon green pepper, 1/2 cup chopped pimientos, 1 cup mayonnaise. Serve in lettuce cups.

**BEN-HUR DRIP COFFEE**  
 Drop a Ben-Hur silk fibre filter paper in the bottom of the coffee maker. Measure in the specially prepared Ben Hur drip coffee. One heaping teaspoon to each cup when more than four cups are made (an extra teaspoon may be needed if less is made). Insert the water spreader in its place. Pour in the required amount of boiling water. Place coffee-maker over low heat. Never boil. In five to seven minutes the water will filter thru.
