

Walter G. Linch's Used Cars Are

"We Are Swamped with Cars," Says Linch

"The unprecedented and record-shattering sales of new Dodge and Plymouth cars have brought in a flood of the finest, cleanest, used cars we have ever had at one time. More are coming in every day. We MUST sell them as they come in!

"That is the reason we have slashed the prices on our used cars! That is the reason we are now holding the biggest sale in our history!

"Drop into our lot at the corner of Torrance Boulevard and Catalina in Redondo Beach. We have just the car for you at the price you want to pay!"

"All Our Used Cars M-U-S-T Be Sold"

BETTER USED CARS

BETTER because they are
Triple Checked

- ... for Price
- ... for Condition
- ... for Appearance

FOR PRICE: Considering that Linch used cars are BETTER USED CARS, prices are way below the market. We meet or beat Los Angeles quotations . . . AND YOU GET A BETTER CAR!

FOR CONDITION: Only authorized Dodge dealers have the right to use the "Triple Check" system of reconditioning . . . which means that the motor, the transmission, the differential, the brakes, the universal joint, the battery . . . ALL the vital parts of a car are THOROUGHLY tested and passed by skilled mechanics BEFORE it is offered for sale.

FOR APPEARANCE: "Triple Checking" covers ALL parts of a car not usually touched by "ordinary" re-newing methods. Upholstery, top, wheels, floor mat, cushions, bumpers . . . EVERY INCH of the car is cleaned, renovated, and NEW parts are installed if necessary.

BETTER BECAUSE Walter G. Linch Used Cars are reconditioned in a separate shop that does NOTHING ELSE. In this shop one workman paints the car . . . another checks all mechanical parts, while still another cleans, polishes and renews it. Every man knows his job well. Every man produces his best . . . THAT YOU MAY HAVE A BETTER USED CAR!

BETTER BECAUSE all Walter G. Linch Used Cars are LOCAL CARS, traded in on new Dodges and Plymouths, by LOCAL people who took good care of their automobiles. No cars are purchased out-of-town. No cars are "caravanned" in. Many of our cars are just broken in and on these YOU SAVE THE DOWN PAYMENT!

BETTER BECAUSE Walter G. Linch will not sell JUNK! If a car is traded in that is hopelessly beyond repair it is sold as scrap. NEVER has a car been placed on the Linch Used Car lot that is not in good condition and actually worth MORE THAN THE SALE PRICE!

BETTER BECAUSE Walter G. Linch is anxious to please and do business with you. His 15-year record for honest dealing and fair trading is ample testimony that he is here to stay. Consequently, he cannot afford to be otherwise than square, reliable, and honest.
