4 ACCIDENTS OCCUR AT 2 CROSSINGS

Continued from Page 1
fast to make a turn at the bridgehead. It crashed into the wooden entrance, shot 25 feet into the air and landed upright in the water some 30 feet away. Four bodies were thrown into the mire and the front end of the car was submerged when help arrived.

Bodies of the victims were badly mangled and their clothing torn away. Wreckage was strewn about for yards. Deputy sheriffs pulled the car out with a crane and the five bodies were taken to the Stone and Myers funeral parlors here.

Torrance Man Killed
Mr. and Mrs. Harold Schultz left two children, Frank, seven, and Marvin, three, Albert Schultz is the father of an 11-month-old baby and Mrs. Melba Jones is the mother of three small children.

Late the following morning, another body of an automobile accident victim was laid beside the five as Frank Hilton of Redondo avenue, this city, was added to the list of week-end traffic fatalities.

He was struck by a car driven by Albert Christensen, 45, 441 Oxford street, Hawthorne, as he stepped from behind his parked coupe on Prairie street, just south of 132nd street, about 11:30 a. m., yesterday. Mr. Hilton, who lived with his sister, Mrs. Maude Conarro, was in that vicinity gathering grass and weeds for his chickens and hogs.

Driver Christensen told Capt. John Stroh and Motor Sergeant Ernest Ashton that the accident was unavoidable. He said Mr. Hilton stepped directly into the path of his southward bound Ford sedan, was struck by the left front of the car. The victim's body was carried 33 feet on the car, dragged another 38 feet further before it fell completely free of the machine.

Did Not See Victim
The police officers report that Christensen's car continued a distance of 45 feet before stopping. A four-foot brake mark on the pavement showed from the left rear wheel at the point of impact. It is believed that Mr. Hilton was instantly killed. Christensen said he was traveling between 35 and 40 miles an hour, according to police, and that he did not see the Torrance man until he was directly in front of the machine. The driver was not placed under arrest.

Police found Mr. Hilton's Ford coupe parked on the east side of Prairie avenue, the left front wheels on the paved portion and the car headed north. With Christensen was his wife, Mr. and Mrs. Lester Williams, 4041 West 106th street, Lennox, and Mr. and Mrs. Carl Ukkestad, 452 East New York street, Hawthorne.

Pinned In Wreckage
An hour later and two blocks north of this fatal accident scene, Mrs. Mary T. Wertz, 84, 209 1/2 South Comstock street, Whittier, was badly injured in

a collision between her husband's machine and a car driven by Harvey T. Bernhard, 907 West 16th street, Gardena.

Wertz was driving west on 174th street and told Capt. Stroh and Sergeant Ashton he thought he had ample time to cross the Prairie street intersection before Bernhard's car arrived at that point. His calculations proved wrong and the machines collided, Wertz's car being struck at the rear of the front fender on the right side. Bernhard's auto was damaged in front.

Mrs. Wertz was pinned in the wreckage and was only extricated with the aid of the investigating police officers. She was removed to Jared Sidney Torrance Memorial hospital in Stone and Myers' ambulance. After emergency treatment there the aged woman was removed to the county General hospital where X-rays were taken yesterday to learn the extent of her injuries.

The police officers report that it was impossible to obtain measurement of skid marks because the road was wet. It was raining hard at the time of the accident.

Regarding the death of Edward Anberg, of Lomita, Sheridan Thompson, Long Beach resident who was at the wheel of the car that struck the 62-year-old man, reported that the sudden tragedy occurred when Mr. Anberg stepped from the darkness before his car in front of 2041 Roosevelt highway. The body was hurled 40 feet, deputy sheriffs reported. Mr. Anberg was a carpenter and the father of three daughters and two sons.

Blames Unknown Driver
First of the two crashes at Highway 101 and Hawthorne boulevard occurred at 1:35 o'clock Sunday morning. Officers Bennett and Perkins from the Torrance department reported that, although Clifford Emanuel Christensen's Chevrolet sedan overturned and all four wheels were in the air, none of its three passengers were hurt.

Christensen, no relative of the motorist involved in the Hilton accident later in the afternoon, lives at 3933 East Broadway, Long Beach. He said he was forced to swerve to the right at the intersection to avoid a collision with a machine that failed to make the boulevard stop. Christensen's car struck the curbing in front of a service station and turned turtle but the other car sped on without stopping.

Woman Slightly Hurt
With the Long Beach motorist were his wife and Frank Bennett, 140 Tenth street, Seal Beach, a friend. They were returning from Redondo Beach.

Sunday afternoon during one of the day's heavier showers, J. R. Osborne, 4231 East Tenth street, Long Beach, and Roslyn Martin, 1301 Jefferson boulevard, Culver City, were involved in a collision at the same intersection.

Mrs. Martin was cut and bruised but required no medical attention, according to investigating officers.

NEWSSTAND ROBBED
Ten magazines were taken from the P. E. newsstand sometime Thursday night or Friday morning, according to a report made to police.
