Governor Merriam's Program

RESIDENTS of California face a far reaching political decision on next Tuesday, when they vote for Governor.

Taking advantage of public distress, and preaching a doctrine of class hatred and social antagonism, an extreme Socialist captured the Democratic party's nomination for Governor, and is now proposing a radical, impractical scheme.

On the other hand, Governor Merriam, a capable and conscientious American wholly dependable in his proven devotion to the public welfare, offers a constructive program of liberal Americanism.

Here is Governor Merriam's own statement:-

For Those With Jobs, I Will Strive:

- 1. To bring you security of employment through definite encouragement of business, industry and agriculture. 2. To insure you and your family against loss of work, by adoption of a practical and adequate plan of unemployment insurance.

(Note: The Legislature, under the leadership of Governor Merriam, is now developing a workable plan of unemployment insurance and will report in January.)

For Those Seeking Jobs, I Will Fight:

- 1. To see that no man, woman or child in California goes without food or shelter. 2. To discourage, insofar as it is within my power, the coming to California of more unemployed to compete with you in your efforts to find work.

(Note: As a part of this pledge, the Legislature at the special session and on Governor Merriam's recommendation, adopted for submission to the people a proposed issue of State bonds in the amount of \$24,000,000 for the relief of unemployment and distress.)

To Those Unable to Work, I Dedicate Myself:

- 1. To safeguard and expand the State's great humanitarian work for the sick, the disabled, the orphaned and the aged. 2. I heartily favor old age pensions and commend the Townsend Plan to Congress and the National Administration for thorough study.

(Note: In furtherance of this undertaking the Governor and the Legislature have already petitioned the President and Congress to supplement the State's present effective pension system for the aged by enacting a Federal old age pension law.)

To California Taxpayers, I Will Recognize:

- 1. That human needs must come before all other considerations; that property owners in financial distress must be given every opportunity to save their homes and farms. 2. I will see that public utility corporations bear their full share of taxes, without loading extra charges on to the public.

(Note: Governor Merriam obtained the approval of the Legislature at the recent special session giving relief to home and farm owners from the burden of delinquent taxes and special assessments as well as from the immediate danger of loss of their properties through foreclosure of mortgages and trust deeds.)

To Educators and Teachers, I Propose:

- 1. To do everything in my power to maintain the present high standard of education in California. I am thoroughly committed to a continuation of the constitutional guarantees for the public schools; to teachers' civil service; to the maintenance and extensions of the teachers' retirement fund; to part-time and adult education.

To Members of All Parties, I Will:

- 1. Call into the service of the State the best type of citizenship. 2. Carry out a non-partisan, truly progressive, and All-California administration during the term of my office as Governor.

Signature of Governor Merriam. GOVERNOR OF CALIFORNIA

As Lieutenant-Governor, I will, if elected, do all in my power to carry to a successful conclusion the foregoing program of Governor Merriam.

Signature of George J. Hatfield.

Governor Merriam's record during the five months he has been in office, his character and sixteen years of public service, assure us an able, practical administration. He will preserve the principles of reward for hard work and individual effort that have been the foundation of industry. He will keep California a state you will be proud to live in, and proud to have your children grow up in.
