Young Charmer Will Be Here Saturday

Little Ann Kearns, of San Pedro, who plays with snakes in preference to dolls, will be at the playground carnival Saturday, August 17. Ann is only four years old and thinks snakes are just the cutest things. Since her third birthday she has made quite a collection of non-poisonous reptiles, some of which she will bring with her to the playground Saturday. When Ann first began playing with snakes her parents were quite alarmed, but when they were assured most snakes are not dangerous they allowed her to continue playing with them. The snakes like Ann as well as she likes them and never get nervous in her hands. Playground officials were delighted to know that Ann could be in Torrance, Saturday.

Do You Operate Under A FICTITIOUS FIRM NAME?

If so, have you complied with the requirements of Section 2466 of the Civil Code, which says: "Every person and every partnership transacting business... under a fictitious firm name... must file... a certificate stating the name in full and the place of residence of such person and the members of such partnership... Such certificate must be published once a week for four consecutive weeks." If you have neglected this procedure, do you realize that the name of your firm is not protected, and that you are not entitled to maintain suits in the courts of the State of California? Take care of this important matter NOW by having this newspaper publish the certificate. Come into the office—it takes only a few minutes to have the form filled out and we will file the documents for you. The cost is small, but the filing and publication is something which should not be overlooked. Very small cost. You simply pay us a nominal publication charge plus \$1 for the county filing fee.
