

Chevrolet Sales In All Time Peak For Month of July

DETROIT, Aug. 13.—Chevrolet retail sales during the month of July reached a total of 111,900 units, the highest July figure in the history of the company, W. E. Holler, vice president and general sales manager, announced today. The closest approach to this record was in July, 1929, when 108,499 units were sold.

The July sales achievement, Mr. Holler said, brings retail sales since Jan. 1 to 777,098 units, which is 99,247 higher than the previous all-time record set in 1928. Every month this year except February established a new high peak in sales.

To keep pace with the demand which such volume reflects, Chevrolet's ten assembly plants in the United States built 128,391 units, the second highest July production in the history of the company. This is only 3,059 units lower than the all-time single month's production record, set in June. World production in July included 9,059 units shipped overseas for as-

sembly, and 2,476 units built in Canada making a grand total of 136,933 for the month.

Koch's Shoe Stores Have New Owners

From Denison, Texas, and from St. Louis, Mo., come two of Torrance's newest business men.

In Denison, I. Cwengel operated several general merchandise stores and shoe stores with the help of his wife, Mrs. Rea Cwengel.

In St. Louis, I. Prelutsky was owner and operator of a large drug business, but because of long hours and excessive work, he was forced to sell his properties and then decided to come west.

Together, the two businessmen came to Torrance and last week purchased the Koch Family Shoe stores, both in Torrance and Gardena, from their previous owner, Joe Koch.

The new owners plan to operate both stores and have great hopes for the future of business here. In the local establishment they will be assisted by Mrs. Rea Cwengel and Nate Smith, who has been employed by Joe Koch for the past year.

The new owners wish to express their appreciation for the generous manner in which they were received, and plan to offer the people of this community genuine values in men's, women's and children's shoes.

The name of the store has been changed to the Ree's Family Shoe Store.
