

### JUNIOR LODGE FORMED HERE

50 On Charter; Officers Are Announced

A junior lodge of the Ancient Order of United Workmen was organized here last Saturday afternoon with a charter list of 50 members. Peter Olsen from the home office in Fargo, N. D., was the officer in charge of instituting the lodge and installing its officers for the coming year.

The Torrance leaders are Wallace G. Woods, past master workman; Carolyn M. Wilkes, master workman; Carl Jack Massie, foreman; D. Joyce Robinson, overseer; Betty Jean Pierson, secretary; Earl W. Barnett, guide; Victoria Irimie and Dorothy Ruth Leetz, escorts; Gertrude F. Priest, inside watchman; Sam M. Intermill, outside watchman; Marjori E. Rusik, pianist. At 4 o'clock, time was taken out and the juniors and mothers went to the city hall where a picture was taken of the group. After this they returned to the lodge hall where refreshments were served.

The junior lodge will be guided by Supervisors Mrs. Margaret Massie and Mrs. Irene Wilkes. This lodge is being sponsored by the senior Torrance lodge No. 33. Edwin Pierce, master workman of the senior lodge, gave a talk of encouragement to the juniors and E. T. Lisle, state manager, and Murray Black, district manager, left messages for the junior members to take home with them.

Wallace Gilbert, local district manager, was presented with a gold pin by Master Workman Carolyn Wilkes which he is proudly wearing in the lapel of his coat. A Christmas tree party will be given the juniors in Moose hall, Wednesday night, Dec. 23, at 7:30 o'clock.

### License Plates Will Be Issued At Redondo

The residents of the South Bay section, in fact the entire southwest section from Slauson avenue south, will find it far more convenient to obtain their license plates for their cars for 1937 by applying at the branch office which is to be maintained at Redondo Beach in the Chamber of Commerce building.

The Department of Motor Vehicle officials realize the tremendous growth of this section, and the great convenience to thousands of people who are compelled to go to Los Angeles and stand in line many hours to obtain their plates. So this year arrangements were made with the officials of Redondo Beach for the establishment of a branch office there.

The office will open Saturday morning, Jan. 2, and remain open until 5 p. m. on that Saturday only. Each day thereafter the hours will be from 9 a. m. to 5 p. m., except Saturday, when the hours will be from 9 a. m. to 12 noon. The office will be manned entirely by state employees, there will be no delays, or waiting in line, six windows open and ready to serve motorists during the entire month of January.

### Ashton, Minus Teeth, Returns To Police Duty

Completely recovered but minus five front teeth which are being replaced by a plate, Sergeant Ernest Ashton returned late last week to his duties as motorcycle officer on the police department following an accident Dec. 6 in which he voluntarily received injuries to avoid striking a small boy with his motorbike.

Ashton has received many compliments for his quick-thinking—but those aren't replacing the teeth he lost. The officer was on the trail of a speeder when the boy darted out from the sidewalk and across the street. If the lad had kept going the accident probably would not have been necessary. But he stopped to retrieve a bag of candy he dropped and Ashton was forced to slip his motorcycle into a bad spill to avoid striking the lad.

### 400 Attend Dance At Pueblo Hall

Under the direction of the Torrance Recreation department a dance was held at the Pueblo last Saturday night to music by the Rancho Grande Boys. It was estimated that about 400 attended. Augustine Ayala, of 4852 Carson street, was master of ceremonies and the decorations were put up by the Mexican girls' society, Club Recreation Alegria, Isabel L. Orday, president.
