

Kidnaped Boy and Ransomer

The picture at the left is taken from a highly prized snapshot of little Arthur Mattson, Tacoma kidnap victim. It was taken several years ago at a Puget Sound beach before the family was victimized by the bearded abduction. At the right is Paul H. Seva, Tacoma businessman, mentioned repeatedly as an intermediary in ransom negotiations between the Mattsons and the kidnaper. It was taken as Seva left the Mattson home after a hurried and secret conference this week.

Saw Kidnaped

Fourteen-year-old Muriel Mattson, whose description of the kidnaper of her younger brother, Arthur, has aided police and G-men in attempting to solve the crime. She was in the room when the kidnaper "snatched" little Arthur.

Ad Indicates Contact Made With Kidnaped

SEATTLE, Jan. 7 (U.P.)—The latest of a series of "personal" advertisements carried in the Times appeared here today and was believed to indicate that contact had been made between Dr. W. W. Mattson and the kidnaper of his 10-year-old son who was carried away Sunday, Dec. 27.

The advertisement today was altered from the one appearing yesterday and read: "Mabel: I am getting instructions. Police are not interfering with them. I accept your method of identification. All requests have been carried out. I will do as instructed without anyone knowing—Ann."

From Tacoma came reports that there were more signs of cheerfulness about the Mattson home but after Dr. Mattson returned from a mysterious four-hour trip he merely said: "I have had no word from the kidnaper and my boy is not at home."

Six New Patients At Hospital Here

Frank Dalton of the D & M Machine Works, entered Jared Sidney Torrance Memorial hospital Tuesday for medical treatment. Other new patients at the institution are: Mr. and Mrs. Ralph Gant, 1028 Manhattan avenue, Hermosa Beach, received Monday for medical attention.
