

Victim's Identity Said Unknown

Local firemen at the central station treated a man for severe burns on his hands Saturday afternoon but did not obtain his name. He said he was injured at a local plant while testing with an electric bulb that blew up. A check-up of the firm for which the man said he was working revealed that no such accident occurred there.

CHRISTIAN SCIENCE CHURCHES

"Life" is the subject of the Lesson-Sermon on Sunday in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts. The Golden Text is from the Psalms: "The Lord is the portion of mine inheritance and of my cup; thou maintainest my lot. Thou wilt show me the path of life."

One of the Bible selections in the Lesson-Sermon includes these passages from John: "Jesus answered, Verily, verily, I say unto thee. Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God. That which is born of the flesh is flesh; and that which is born of the Spirit is spirit. Marvel not that I said unto thee, Ye must be born again. . . . And as Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up: that whosoever believeth in him should not perish, but have eternal life."

A selection from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "When understanding changes, the standpoints of life and intelligence from a material to a spiritual basis, we shall gain the reality of life, the control of soul over sense, and we shall perceive Christianity, or Truth, in its divine Principle."
