Only PHILCO HAS ALL THESE FEATURES

1-New Foreign Tuning System!

By automatically tuning the Philco High-Efficiency Aerial, the new 1937 Philco Foreign Tuning System more than doubles the foreign stations you can get and enjoy! On the new Spread-Band Dial, overseas stations are spread six times farther apart . . . named and located, in color . . . enabling you to tune by name—easily, quickly, accurately!

"Only Philco has it!"

Section of new Spread-Band
Dial on the Philco 116X DeLuxe

2-New Automatic Tuning!

On the new 116X DeLuxe, Philco gives you Automatic Tuning of favorite American stations! Like dialing a telephone . . . but quicker and easier. One twirl of the dial brings you the stations you want with unfailing precision. Back of the dial, Philco Magnetic Tuning centers the receiver on the exact frequency and holds it there.

"Only Philco has both!"

We will replace the mythical call letters illustrated with those of your favorite stations.

3-New High-Fidelity!

Tune in a symphony orchestra and every instrument registers its presence. You hear the overtones . . . catch delicate shadings . . . thrill to the thunderous finale! Reproduced perfectly . . . with "boom" eliminated by Acoustic Clarifiers . . . and every note brought up to ear level by the famous Philco Inclined Sounding Board.

"Only Philco has all three!"
