● A life-saving invention! That's exactly what the Golden Ply, found in every Goodrich Silvertown tire, is. And here's how it gives you and your family real blow-out protection.

The Golden Ply is a layer of special rubber and full-filling cords, scientifically treated to resist the heat generated inside the tire by today's high speeds. By resisting this heat it keeps rubber and fabric from separating. It keeps heat blisters from forming. And when you prevent the blister you prevent the high-speed blow-out. So let us equip your car with Silvertowns—the only tires that give you the blow-out protection of the Life-Saver Golden Ply.

Torrance-Lomita Firm Now Selling 1937 Model Stewart-Warner Refrigerators from Carload

READY TO UNLOAD a full carload of Stewart-Warner 1937 refrigerators stood the sales and service staff of the Modern Appliances, Torrance, and Lomita Home Appliance company, one day last week. Pictured above, left to right: Grayson Taylor, representative of Southern California Distributors for Stewart-Warner Corp., holding banner with Leslie Farrar, owner of the two appliance stores. Back row, left to right: William Fraser, Torrance salesman; Earl Duarte, Lomita salesman; Jack Oglesbee, manager of Lomita store; Charles LeBeau, manager of Torrance store; Dick Sand, Torrance salesman; and Cleo Long, service department.

Leslie Farrar, owner of the Modern Appliances store here and the Lomita Home Appliance company in the neighboring community, has qualified as one of the most active and alert home appliance dealers in the Harbor district. Late last week, Farrar and his crew helped unload a carload of 1937 Stewart-Warner refrigerators at the P. E. depot.

These refrigerators are now on display at the local shop, located at 1427 Marcellina avenue in the new Ingold building and at the Lomita branch store. Stewart-Warner products found a popular demand in Torrance and Lomita during the past year and Farrar declares the present indications point to even better sales in 1937.

"The most remarkable thing about our sales records and considering the many satisfied customers served is that we have had no service trouble," he said this week. "A carload of refrigerators is a great many units but not too many for us to handle. We have all models on display now."

"Stewart-Warner's 1937 products are specimens of engineering perfection. Practical, convenient, economical in operation and more beautiful than ever—these are only a few features of the 26 which make Stewart-Warner the most outstanding refrigerator this year," Farrar stated.

"Friendship's a name to few confid'
The offspring of a noble mind,
A generous warmth which fills the breast

How much more fully does the sampler define the word "friendship" than Mister Webster, who states coldly, "friendship, noun. State of being friends; friendly attachment; friendliness; amity."

QUESTIONS
Looking about, we see many glorious poinsettias in full bloom in your gardens. How did the poinsettia get its name?

Which is correct, (a) or (b)?
(a) A dark-complected man.
(b) A dark-complexioned man.

What was the original name of that important thoroughfare in Los Angeles now known as Figueroa street?

TODAY'S PROVERB

"Be always as merry as ever you can
For no one delights in a sorrowful man."
With characteristic modern brevity, we say "Okay! Be gay today!"

ANSWERS

About a hundred years ago Joel Roberts Poinsett of South Carolina, American minister to Mexico, found a plant in Mexico which the natives called "flame plant." When he returned to the United States, he brought it with him and it was then named in his honor, poinsettia.

"A dark-complexioned man" is correct.

Well, lads and lassies, we must admit that the original name of Figueroa street was none other than Calle de las Chapulas, which the Americans called later by its English equivalent, Grasshopper street. Then when many stylish people erected expensive homes on it, they evidently didn't like the plebeian name on their letterheads or something, for they had it changed to Pearl! The next change was to Figueroa, in honor of Jose Figueroa.

ADIOS!

We saved this for a last line: "There is not much to a man who is not wiser today than yesterday."—Abraham Lincoln.
