## TERMITES

To the Owners and prospective buyers of homes in this community:

Ninety per cent of the buildings we have inspected in this city the past few months have been Termite infested and the buildings damaged. Some properties needed only minor repairs; others required re-construction, the cost of which could have been reduced 50 per cent had these buildings been properly inspected and treated before the Termites did their deadly damage.

The Harbor Termite Control, a permanent Torrance organization, is affording property owners an opportunity to save their properties by having us inspect the buildings and give a complete report on their condition without cost or obligation. To prospective home buyers we are now offering this same free service.

Save future expense by having us make an inspection NOW!

We are licensed by the State and City and give a certificate recognized by escrow and title companies alike as an accurate and honest appraisal of the building's condition. Safeguard against added expense when buying a home by knowing first the exact condition of the property.

## Sierra Fishing Not Good Until July

Reports from all of the High Sierra country indicate that fishing will not be good until July. All streams are high and rocky and snow blocks many of the back roads. Fishing in the lower elevations will improve as soon as streams clear; however, prospects for the first of the season are not favorable.

## Shoe Pitchers Hold Individual Tourney

San Pedro's horseshoe pitchers failed to show up for a scheduled meet with the Torrance iron flingers last Sunday so an individual tournament was held. After the dust cleared away C. A. Hornbeck was holding first place, Sutton second, Thornton third and Dean Sears fourth.

## Tired Tartars Fall Before Game Gaucho Teams

## Narbonne-Pirate Meet Doped Top-Notcher

"Can Narbonne high make it three out of four over San Pedro or will the Pirates spring the upset of the Marine league dual track meet schedule and down the Gauchos?" queries San Pedro's ace sports writer, Joe Goss. Then he says: "Your guess is as good as mine, so you can write your own ticket. The answer will be unfolded Friday afternoon at San Pedro high's field when the schools hook up in the top notch of the day. Both are undefeated. Narbonne walloped the tar out of the Torrance Tartars Friday while San Pedro drew a bye when El Segundo failed to show. Coach Holley Adams has been at his gang from morning until night and believes he can give the invaders a rather interesting afternoon.

"Narbonne won in football, San Pedro evened up the score by humbling the Gaucho basketball team but went behind when the Gaucho diamond artists upset the dope by licking the Pirate ball hawks. San Pedro can pull up again Friday or may go even further behind."

## Lomitans Set Down with Shut Out

For the first time in months and months, the Lomita Merchants were blanked last Sunday when the Wilmington Merchants copped a red-hot battle at the city park diamond 4 to 0. The victory stirred up an interesting rivalry that threatens to blossom into a full-fledged war within the next few weeks — much to the delight of the fans of Torrance and Wilmington.

Ernie Lopez held the Lomita club nine to four hits as his team mates got to Patalano and Morris for eight safeties. Besides his stellar hurling, Lopez blasted a home-run to aid his own cause. Rodriguez also looped a circuit blow.

Manager Walt Morris has demanded a return game in order to wipe out the sting of that shut-out. This contest is expected to be carded within the next few weeks.

The Lomita club will play Pacific Clay Products at the city park diamond Sunday.

## ZAMPERINI-BRIGHT; MEADOWS-SEFTON; DUNN-CARPENTER and Sprint Races Loom as Features of Compton Invitational Track Meet

Headed by two world record holders and three 1936 Olympic Games champions, the entry list for the Compton Invitational track and field meet is swelling to near record proportions. The cinderpath event, rated as the biggest track meet of the year in Southern California, will be held at Compton Friday night, May 21.

Tickets for the track meet went on sale last Friday night and an early sell-out is anticipated by the management. The reserved seats are expected to be sold out entirely during the next few days, as there are only 1,000 such seats available. They may be secured by contacting Herschel C. Smith, meet director, at Compton Junior College. The remainder will be sold at general admission prices. The meet, last year attracted an estimated crowd of 8,000 fans and an additional 1,000 were turned away at the gates.

The 1,500-meter duel between Louie Zamperini and Norman Bright looms as one of the feature attractions of the meet. These two distance aces stole the show last year, when Bright beat the Torrance Olympian to the tape by less than six inches in the 5,000 meters. Zamperini is confident that he will lick Bright at the shorter distance. The San Franciscan, however, is equally confident that he can defeat Zamperini at either the 1,500 or 5,000-meter distance.

**Ace Vaulters Seen**  
Zamperini's speed is not yet known. He recently strided through a mile in 4:18.3 without competition and critics believe that he is capable of clipping five seconds off that mark right now. Bright has run under 4:14 and is now in the best condition of his life. Bright believes that he can run close to the world and American record of 3:48.8 in the 1,500 meters.

In the pole vault, it will be Olympic Games champion versus world record-holder, when Earle Meadows and Bill Sefton, both Trojan teammates, battle for the gold wrist watch in the bamboo event at Compton. Meadows won the 1936 Olympic Games.

## Compton Meet Ducats on Sale at Herald Office

Arrangements were made by The Herald today with officials of the Compton Invitational track meet in which Louis Zamperini is to be featured on the night of May 21 to have a supply of tickets for the event at this newspaper's office.

They may be obtained at The Herald anytime to and including Friday afternoon, May 21. Both reserved seats and general admission ducats will be available here.

ows won the Olympic crown last summer and set a new games mark. Both he and Sefton cracked the existing world record last Saturday at Palo Alto by soaring over the cross-bar at 14 feet 8 1/2 inches.

A rematch of the battle for the Olympic Games championship will be waged in the discus between Gordon Dunn and Kenneth Carpenter. The latter won the Olympic crown last summer with Dunn second. Dunn, however, beat Carpenter at Compton with his greatest throw of his career, getting off a toss of 171 feet 5 1/2 inches to smash the American record.

In the sprints, a whole host of stars have entered the meet, led by Mack Robinson, second place winner in the 200 meters at Berlin. Robinson was recently hailed by no less an authority than Charles Paddock as the greatest track athlete in America today. Robinson will have to match his speed against Adrian Talley and Clarke Crane of the Trojans, Bob Young of Whittier College, Henry Gonzales of Taft Jayco, and Bert Price of Compton Jayco, as well as a host of other dash races.

## Benefit Scout Dance Is Saturday Night

Members of the Kiwanis club and the Boy Scout Troop No. 219 which is sponsored by that service organization are selling tickets at 35 cents each for the troop's benefit dance to be held in the Civic Auditorium Saturday night, May 15. Art Tajares and his Southern Californians will furnish the music. Proceeds from the dance will be used to send the troop on its annual outing in the mountains this summer.

## Afternoon Gym Class for Men at High School

A class in men's gym is being held from 5 to 6 p. m. Torrance high school for those who find it inconvenient to use the gym during the evening and who do not desire to indulge in the strenuous exercises of the younger men. Fifteen men, mostly from the Columbia Steel plant, formed the nucleus of the class. It is hoped that many more will avail themselves of the opportunity offered for physical development in this group. If other things are needed, an instructor will be secured for the additional classes. After a few setting-up exercises, the men play volleyball. Principal Guy Mowry, of the Evening high school, announces that a class in "creative writing" has been opened. This group meets from 7 to 9 o'clock Wednesday evenings. It is open to everyone interested in writing for production.

There are still seven weeks left in the evening school year. This is sufficient time to obtain considerable help along some lines. Courses in shorthand, typewriter, bookkeeping, typing, sewing, wood and machine shop, orchestra, chorus, arts and crafts, English, mathematics and women's physical education are offered. The evening schools of the Los Angeles city school system are staging an assembly at the Hollywood Bowl, Thursday evening, May 27. Tickets may be obtained from Principal Mowry at the high school.

## Narbonne Athletes Complete Torrance Demoralization

What was doped to be a "nip-and-tuck fight" (Herald, May 6) between the Torrance Tartars and the Narbonne Gauchos in their dual track meet at Lomita last Friday afternoon turned out to be just that. The Gauchos nipped practically every variety, B and C event and tucked the Tartars to the worst cleaning in years.

## Gaucho Girls Drill for Playday Event

Girls of the Senior Girls Athletic Association at Narbonne high school are practicing diligently every afternoon after school for their playday, June 9, on Narbonne's Griffin field. Schools invited to compete in this annual event are Torrance, San Pedro and Hamilton. Softball, speedball, volleyball and horseshoes are to be played on the girls' field, largest in the Los Angeles school system.

The Gaucho B's grabbed eight firsts, seconds and thirds to win 72 1/2 by 22 1/2. And the Narbonne midgets swept six firsts, divided the seconds evenly with Torrance and took all but one of the third places to win their event 54 to 23.

## TARTARS, GAUCHOS TRAVEL TOMORROW

Tomorrow (Friday) afternoon Torrance tracksters go to Gardena for a dual meet with that school's track and field team. Narbonne's travels to San Pedro for what should be the outstanding contest of the Marine league season.

Seemingly without effort, the Narbonne varsity track and fielders made a clean sweep of the shot-put, 120-yd. high hurdles, 100-yd. dash, 180-yd. high hurdles and the pole vault. The Gaucho B's took all places in both the low and high hurdles, high and low jump, shot-put and 1,320-yd. run. And Narbonne C's swept the pole vault.

It was painfully evident that the Tartar athletes had tired themselves out earlier in the week with their "protest meetings" against Coach Roy Cochran. After such fatiguing ordeals as staging a "sit-down" and laboriously meeting in conference for the purpose of ousting the new athletic director—parleys which came to naught—the tracksters were in no condition for such things as actually competing in a scheduled Marine league meet.

Jack Kent, whose disqualification for jumping a lane in the 220 the previous week in the meet with San Pedro caused the spark which led to the ill-advised "protest" against Cochran's authority, was disqualified again last Friday. This time he was ousted for jumping the gun too often in the start of the 100-yd. dash.

**Gauchos Display Spirit**  
The absence of Johnny Schmidt, who also figured in last week's boycott, from the Narbonne meet forced Coach Bert Merrill to let Narbonne take the relay points by default when he could not put up a team in the race. Several other Tartar tracksters also had other engagements and were not seen in action on the Lomita field. Merrill was frankly disgusted with his charges' woeful performance.

But if the Torrance athletes were in no mood to "do or die for old Torrance high", Narbonne's Gauchos were out there every minute fighting for first, second and third places among themselves. They weren't in a dither from "protest meetings" and thus proved themselves gamehearted sportsmen in every event. An outstanding example of this kind of school spirit was seen in the varsity mile. Runte led this event until the final sprint when he was pressed by Tommy Wilkes of Torrance. But it was Dadds of Narbonne who steamed up to pass both of the leading contenders and take first with Runte second.

Perhaps the most colorful figure on the field was Tony Nady, Tartar high-jumper. Although he was garbed in a blazing red silk suit with his name in white letters four inches high across the back of his shirt, Tony was one of the only two Torrance athletes (Harestad won the broad jump) to take a first. Billy Stewart, who shows much promise in bar-leaping, came out of his class C division to win second in this varsity event.
