

McGahan, Tartar Pitcher, Stars for Merchants in Game With Fannies

Lomitans Plan Lincoln Park Team Here Next Sunday

Starting the fracas with three runs off as many clean hits, the Lomita Merchants appeared off to a walkway in the first inning last Sunday in their game with the Utility Fan team at the city park diamond. But the Fannies tightened up in getting two scores in the second and fourth cantos and holding the Lomitans scoreless until the sixth.

Then the Merchants swept over two markers and followed thru with a couple more in the seventh while the Fannies were accumulating their third score in the eighth. The final result was Lomita, 7; Utility Fan, 3.

Rowe, shortstop for Manager Walt Morris's crew, batted 1.000 for the game, getting two hits out of two trips to the plate, one of them good for three bases. Elmer McGahan and Eppey divided the pitching assignment for Lomita, and both looked good. McGahan played the first six innings and scooped them up like a veteran.

Lead In Hitting
Palica, J. Venable, Rowe and McGahan collected two hits each, while Page, Fan right fielder, got three of the invaders' eight hits. Next Sunday the Merchants play the Lincoln Park Roller Rink nine at the city park here. The box score was:

Supplymen Win First-half Title; Final Starting

Having won the first half championship of the city night-ball league Monday night when they defeated the Smith Brothers' team, 9 to 2, the National Supply squad is now resting up preparatory to the second-half battle which gets underway tonight.

Sandy and Scotty's club will take on Paxman and Arnold's team in this opener which starts at 7:30 o'clock at the illuminated city park diamond.

The Supplymen defeated the Smiths in the first playoff last week, 16 to 12. In Monday night's follow-up, the Supplymen nicked Bernhart, Smith's pitcher, for nine hits while the Smiths rapped Pagan for the same number.

The complete schedule for the second round of the city league games follows:
July 1—S. & S. vs. P. & A.
July 8—Smith Bros. vs. Nat'l Supply.
July 12—P. & A. vs. Smith Bros.
July 15—Nat'l Supply vs. S. & S.
July 19—S. & S. vs. Smith Bros.
July 22—Nat'l Supply vs. P. & A.
July 26—P. & A. vs. S. & S.
July 29—Nat'l Supply vs. Smith Bros.
Aug. 2—Smith Bros. vs. P. & A.
Aug. 5—S. & S. vs. Nat'l Supply.
Aug. 9—Smith Bros. vs. S. & S.
Aug. 12—P. & A. vs. Nat'l Supply.

LITTLE KNOWN STUFF ABOUT BIG LEAGUE

SOME big and little things about the major league ball clubs are that aren't in the box scores:

American League
Yankees—They seldom waste a base-hit or gum up a rally. Very rarely does a pitcher who's wild beat them.

Indians—Play like champions for six innings and then something goes wrong and they revert to sand-lotters.

White Sox—Just going along on Jimmy Dykes' pep. Soon as Dykes picks up an outcast he starts playing his best for "the little round guy."

Red Sox—Where nearly every player in the league wants to play but those that get there never play as well as where they came from.

Senators—A team of possibilities that might go some place with a sparkplug.

Athletics—The worst fielders and hitters in the league but a promising crop of young pitchers.

Browns—Major league power and minor league pitching.

National League
Cubs—A team that doesn't know when it's licked when it gets in one of those streaks.

Giants—They must travel on pitching and light defense.

Cardinals—Dean and Warneke and then every man for himself except Medwick who can break up a ball game alone.

Pirates—Pitching weaknesses that even Pittsburgh's power can not make up for.

Dodgers—When Mungo goes, they can battle any team on even terms. When Mungo's not on the firing line, they just do the best they can.

Bees—A team built for the "dead ball" era. Watch 'em next

Max Coast Stars In Grid Field Meet Here

School is out but the results of the first football championship field meet held at the high school recently were only announced this week. Held by Coach Roy Cochran for the purpose of "getting a line" on his 1937 grid material, the pigskin contest consisted of seven events: Kickoff for distance, punting for distance, receiving for distance, place-kicking, forward passing accuracy, receiving for

ward passes and place-kicking for goal.

A survey of the results shows that Max Coast appears to be a quadruple-threat Tartar hope. He accumulated 96 points by winning the kickoff for distance, 68 yards; punting for distance, 74 yards; receiving five out of five punts and place-kicking five out of five over 25 yards.

Second place was won by big Al Winkler with 62 points. He averaged 50 yards on kickoffs, 58 yards on punts and snagged five out of five aerial heaves. Third place went to Gerald Grubb with 30 points.

Coach Cochran, now in New York state for the summer vacation, was well pleased with

the showings made at his grid field meet and on his return, two weeks before school opens Sept. 13, expects to start putting his Tartar machine in shape for a heavy schedule of games. Others participating in the football meet were:

Figueredo, C. Gilbert, McGinnis, Hall, Sikes, Snyder, Herlett, Barkdull, J. Dowell, Reg Smith, Tolson, Kirkpatrick, Robert Smith, Harris, Perkins, Dawson, Hatter, Kelley, Johnson, Powell, Kent, Jackson and Richhart.

Bowlers Enjoy Play In Cool Comfort Here

A new air-conditioning system is proving an added attraction at the Monticello Bowling academy on Carson street where bowlers have enjoyed playing in comfort even on the warmest days this week. Manager D. Bolander installed the cooling system recently.

The Wallace Halverson Chevrolet team of Redondo Beach made a clean sweep Tuesday night in taking four points from the Bob Barnett team of Compton when the new Chevrolet league got under way at the

Monticello alleys. B. Arnett was high bowler for the Halvorsens, scoring 537.

The Monticellans scored three points over the Gregorio Contractors of San Pedro, high man on the Gregorio being T. Tomich with 545. The South Bay Chevrolet team of Hermosa Beach lost three points to the Ted Eades team of Inglewood, with H. Russell of Inglewood turning in top score of 440.

Red Fire Trucks Slipping
BELLFAIR, O. (U.P.)—City officials advocate painting the city's proposed new fire truck white instead of the conventional red. They contend red no longer stands out as a distinguishing color.

This one actually tastes better BECAUSE COOKED WITH GAS

Those trout might have been twins, they looked so much alike! Yet there was an actual difference in their flavor when cooked, because only one of them was broiled on a gas range. Startling perhaps, but true. Only gas, among practical fuels, provides genuine broiling.

Here's the reason. It takes live heat to broil properly. Furthermore, it takes heat that is instantly adjustable, not merely to moderate or low, but to any of the degrees between. This heat must be constant and uniform. Natural gas alone meets all these requirements!

Eat more broiled foods—they taste better, are more healthful. And for other forms of cooking, too, the new gas ranges are without equal. See them at your dealer's or your gas company.
