MODERNNESS implies ADJUSTABILITY

THE MOST ADJUSTABLE OF HOUSEHOLD FUELS IS NATURAL GAS!

You wouldn't have a pair of field glasses that you couldn't adjust to suit your eyes. Your vision must be sharp and clear. It is just as important to have a household fuel that permits exact adjustment to meet varying needs.

In cooking, for example, when a recipe calls for a certain low temperature, natural gas gives the precise degree required. It gives exact high temperature, too—and any degree between.

You enjoy similar superior service in water heating and house heating. Moreover, gas is the only fuel that provides silent, automatic refrigeration. Modernize your home with new gas appliances. The latest models, marvels of beauty and convenience, are now on display at your dealer's or your gas company.

Altar Guild Formed At St. Andrew's

St. Andrew's Episcopal church has organized an altar guild to care for the altar and the arranging of flowers. The work hitherto done by one or two persons will be carried on by a group of 12 women. The newly formed group will meet regularly for purposes of study and of service to the church. St. Andrew's is one of the most beautiful Episcopal churches of its size in the diocese. The recent acquisition of a pipe organ has added greatly to its beauty and to the dignity of the liturgical worship of the church. Members of the altar guild have entered enthusiastically into their work. It is their aim to make the church beautiful for all services. The organization will be completed in September at which time there will be an election of officers.

PLANT LARGE LAWN

Leaving City Soon

REV. GEORGE ELDER
... ending 9 years' service

Next Sunday evening, Rev. George Elder, pastor of the First Christian church, will have change of the union service in the Civic Auditorium. This devotional will be in the nature of a "farewell" service because Rev. Elder is ending nine years' of work here on Sept. 1.

The municipal band, directed by Charles Chaplin, will play a short sacred concert and George Luddecke, Los Angeles baritone, will sing. Rev. Elder will end his annual vacation in the High Sierras this week.

Rev. Elder will be succeeded here by Rev. Frank Porter, pastor of the West Los Angeles Community Christian church, who, in turn will be succeeded by Rev. Elder. They are exchanging pulpits. Rev. Porter, who has been in the ministry for about a quarter of a century, was pastor of the Christian church at Santa Ana for 10 years. He has preached here a number of times and so has many friends among his new congregation. He has three married children.

Peer of Barbecue Chefs to Rule At Catholic Benefit Outing

There's all the difference in the world between a "pan-barbecue" and the ordinary "pit-barbecue," according to no less an authority on outdoor cooking for a multitude than Assemblyman Godfrey Andreas of Ontario.

And Andreas should know his barbecues because he is

recognized as one of the few Southern Californians who are experts in preparing meats for hungry crowds. He will be chief chef at the big two-day barbecue and entertainment to be staged by the Catholic Church of the Nativity of Torrance at Royal Palms, Sept. 5 and 6.

A "pan-barbecue" includes the use of a Dutch-oven for the careful cooking of meats and preservation of essential juices. By using this method, Andreas knows exactly when the meat is ready for carving and he has never burnt or produced a piece of under-done meat in all his years of barbecuing. He disdains the "pit-barbecue" because, besides being "messy" it is a bit-or-else procedure.

Tickets for the gala event at beautiful Royal Palms are now being sold in many Harbor district cities by active local church workers and their friends in outside communities. All of the proceeds will go into the fund that Rev. Father Fitzgerald, pastor of the church, is creating for the building of a new and larger Catholic church in this city.
