## Church Barbecue Nets \$2,500 for Building News of the Churches

Dockweiler, Candidate  
for Governor, Will  
Address Kiwanians

(Continued from Page A-1)  
oer, I feel that every section  
of the Democratic voters may,  
without reservation or hesita-  
tion, rally to my support as their  
standard bearer.

"I have continuously served in  
Congress as a Democratic repre-  
sentative during the entire  
administration of President  
Roosevelt. I am familiar with  
the problems and needs of Cal-  
ifornia from the state and na-  
tional viewpoint. Our state  
problems at Sacramento under  
the new order of things, are so  
closely tied in with the Federal  
government at Washington that  
the State government must now  
be in close touch with and work-  
ing in complete harmony with  
Washington.

"I believe that in a rapidly  
growing state such as California  
it would be of advantage that  
its governor be a Californian.  
Born, reared, educated, married  
and having practiced my pro-  
fession as lawyer in California,  
I enter this campaign confident  
of victory and imbued with the  
sole purpose of the welfare of  
my native state, its people and  
the ultimate success of the De-  
mocratic party. In this contest I  
seek the cooperation of the elec-  
torate of California regardless  
of their previous political affilia-  
tion. Of the great problems to  
be solved in our state and  
abuses to be corrected I shall  
speak in detail at a later date.  
In the meantime I shall con-  
tinue to serve my state and  
Congressional district without  
stint, and will rely upon my  
loyal friends at home to suc-  
cessfully conduct my campaign."

### CHRISTIAN SCIENCE CHURCHES

"Substance" is the subject of the  
Lesson-Sermon on Sunday in all  
branches of The Mother Church,  
The First Church of Christ, Scien-  
tist, in Boston, Massachusetts. The  
Golden Text is from the Gospels:  
"Thine, O Lord, is the greatness  
and the power, and the glory, and  
the victory, and the majesty."

Among the Bible selections in the  
Lesson-Sermon are these verses  
from Luke: "And he was teaching  
in one of the synagogues on the  
sabbath. And, behold, there was a  
woman which had a spirit of in-  
firmity eighteen years, and was  
bowed together, and could in no  
wise lift up herself. And when  
Jesus saw her, he called her to him,  
and said unto her, Woman, thou  
art loosed from thine infirmity. And  
he laid his hands on her: and im-  
mediately she was made straight,  
and glorified God."

A correlative passage from the  
Christian Science textbook, "Sci-  
ence and Health with Key to the  
Scriptures," by Mary Baker Eddy,  
states: "Christian Science declares  
that Mind is substance, also the  
matter neither feels, suffers, nor  
enjoys. Hold these points strongly  
in view. Keep in mind the verity of  
being—that man is the image and  
likeness of God, in whom all being  
is painless and permanent."

Christian Science reading  
room at 1208 El Prado. Public  
welcome.

### 'Lost Century' Feared From Cheap Paper

LEXINGTON, Ky. (U.P.)—  
Inferior grades of paper and  
inks in use today may cause  
the present age to be known  
as the "lost century," according  
to Dr. Frank L. McVey, presi-  
dent of the University of Ken-  
tucky.

Dr. McVey said that the in-  
ferior products were being used  
in making books, newspapers,  
and documents of historical in-  
terest.

"Records are rapidly passing

fiesta by the Pacific was re-  
corded on Sunday when scores  
of attendants fed nearly 1,000  
persons.

Father Fitzgerald said that  
the church netted about \$2,500  
from the two-day event which  
was widely publicized as a ben-  
efit for the erection of a new  
church here. The pastor stated  
that the fund for the church is  
making good headway and he  
hopes to announce the plans for  
its construction in the near fu-  
ture.

Assemblyman Godfrey Andreas  
of Upland lived up to his rep-  
utation as a master barbecue  
chef. The choice "steak beef" was  
done "to a king's taste" and  
the other foods on the menu  
were equally good. In addition  
to the dinner, there were a num-  
ber of other attractions at the  
park which received excellent  
patronage.

Pastor Expresses Thanks  
It took a large number of  
the church members to serve  
the throngs that were present  
and some of them even worked  
until 4 o'clock Tuesday morn-  
ing clearing away the equip-  
ment used.

Father Fitzgerald asked The  
Herald yesterday to publish the  
following letter of thanks ad-  
dressed to the residents of Tor-  
rance:

"Now that our barbecue is  
over I wish to thank the people  
of this community for their  
generous support. In all my  
years as a priest I have never  
experienced such excellent co-  
operation and loyalty on the  
part of Catholics and non-Cath-  
olics as displayed before and  
during the barbecue.

"Begging God's blessing on  
all and hoping that the same  
loyal spirit will prevail on all  
future occasions in Torrance  
and at all times, I am, yours  
sincerely, Rev. Joseph P. Fitz-  
gerald."

### Catalina Fugitive Nabbed at Home

Facing a far more serious  
charge than the original one—  
that of intoxication—which  
caused his arrest Monday night  
at Avalon, Catalina, island, Al-  
bert Bachlar, 23, was re-arrested  
early Tuesday morning at his  
home, 1849 Hawthorne avenue,  
and returned to the island to  
await trial for jail-breaking.

Young Bachlar was picked up  
with two companions at the re-  
sort, lodged in the Catalina Jail  
and escaped, according to Of-  
ficer Mercer who came here  
Tuesday morning to locate the  
fugitive. Mercer enlisted aid of  
Officer Spehger for the search  
which resulted in Bachlar's sec-  
ond arrest and enforced return  
to vacation resort.

of existence," he said. "A  
hypothetical descendant in the  
year 2000, attempting to make  
inquiries into the era beginning  
in 1910, will find the history of  
this period completely blotted  
out."
