Principal Announces Topic of "Community Appreciation"

"The school plays a very definite part in the peace program," said Thomas H. Elson, principal of Torrance high school, in speaking before the high school Parent Teachers Association in the music room Monday. Elson was the first speaker in a P.T.A. program that thruout the year

will interpret the meaning of "Peace Thru Understanding," the theme of the 1937 convention. He believes one of the finest contributions the school gives to world peace, said Elson, "is in the organizing of international clubs. In them students discuss world problems and familiarize themselves with the customs of their foreign neighbors." Elson spoke of campus responsibility, music, programs for community betterment, motion pictures and radio as contributing factors to peace.

He explained that service clubs, business men, the Chamber of Commerce and The Herald have agreed to cooperate with the school thruout the year in a program that should create in the younger generation a sincere appreciation for the community in which they live.

Faculty Introduced
The Junior a capella choir, under the direction of Marjorie Elschen, sang several selections. This is the first junior choir to be organized at the school.

Their program Monday was a real indication of their worth after three weeks of training. They should equal any singing group in the city. There are some 35 members in the choir, who will on all future appearances wear robes of blue with white collars.

Members of the school faculty were introduced at an informal tea, which closed the afternoon session. Mrs. Ed Hatter served as hostess.

At the business session, which preceded the regular meeting, reports of chairmen were given. Mrs. Charles Woodcock reported 48 members had paid their '37-38 dues and Mrs. J. W. Post was elected to represent the organization at the press club luncheon Oct. 21.

The next meeting of the Association will be held in the school music room, Monday, Nov. 8, when the main topic will be "Peace and Understanding in the Home."

Paris Styles by MARY TRENT

PARIS, (U.P.)—Jane Renouard, well-known French actress who sailed recently for the United States, bought a new fall wardrobe which includes some of the most outstanding Paris style features for the coming season.

Molynaux designed the frocks chosen by the actress, and her costumes and dinner hats, which are a feature of the current collection of leading fashion houses.

The most spectacular gown in her new wardrobe is a brilliant coral moire evening gown of the 1889 influence—one of the newest silhouettes featured by Molynaux for the season, with the short, draped tunic line forming a hint of a bustle at the back.

An informal evening frock chosen by Miss Renouard brings out the current interest in contrasting colors. Made of velvet, the gown is designed with straight skirt of black and artistically draped bodice in geranium red. The costume is set off by a stylized black velvet turban trimmed with a pair of gold balls.

Another new note which the French actress took to America is the popular ankle-length dinner dress. Informal in design, with high neckline and the classical full-length molded sleeves seen throughout the Molynaux collection, the frock is of black silk jersey and follows the straight-cut silhouette. Trim is concentrated at the neckline and waist, another feature indicative of the season. Two large paillette flowers, one of black and the other red, are placed on one shoulder and a band of black embroidered paillettes circle the slender waistline. She will wear a huge square-cut black velvet beret trimmed with two black quills, with the dinner costume.

Auxiliary Carnival Is Successful Affair

Socially and financially the annual American Legion Auxiliary to Bert S. Crossland Post 170 carnival held Saturday evening in the Legion hall was one of the season's biggest affairs.

Graff's Inglewood orchestra furnished music for dancing. George Hounslow, noted psychic was kept busy thru-out the evening as were the ladies who dished out sandwiches, cake, pie and cookies in the attractive dining room.

Ella Robinson, finance chairman for the auxiliary was in charge of the carnival.

Some 25 members attended the regular business meeting of the Legion Auxiliary held in Legion hall Tuesday evening. Plans for serving the dinner in the city's administration building Wednesday evening, October 20 were completed and all members were urged to help.

The president, Audie Modglin announced the annual American Legion Auxiliary school of instruction to be held in Patriotic hall Los Angeles, Friday, October 29 starting at 10:00 a. m. State officers will conduct the classes. All chaggein urged to attend.

BAPTIST LADIES PLAN MEETING FOR THURSDAY
The Women's Missionary Society of the First Baptist church will meet Thursday, October 21 at 10:00 a. m.

A 12:00 o'clock luncheon will be followed by White Cross work.
