### Japanese Dances Feature Program At Waleria P.T.A.

Nearly 300 friends of the Waleria school, many of them Japanese parents, attended the P. T. A. meeting and program held there last Wednesday night. The entertainment, presented by Japanese, was one of the most elaborate spectacles ever presented at that school.

In addition to traditional Japanese dances, the children's Ondo-Bambu, Ondo-Cherry Blossom, parasol, Hamachidori and Manchu formations, there were dances performed by Kaoru Shimada and Teruko Tagua, two pretty Gardena high school girls, whose performances were highlights of the program. E. Fujit, president of the California Daily News, and Principal Arthur E. Paine were the speakers and refreshments were served after the program. Mrs. Elsie Minor, president of the Waleria P. T. A., presided at the short business meeting held before the program started.

### Jobless Census Complete Here

Beyond reporting that a large number of Federal unemployment census cards were returned to us," Postmaster Earl Conner could not give any detailed information regarding the outcome of the post-card survey that concluded here and elsewhere through the nation last Saturday night. Regulations governing the census forbade such detailed data, he said. The cards have been sent to Washington for examination and compilation according to the President's orders.

Postmaster Conner expressed his appreciation of Mayor William H. Tolson's committee which assisted him in making the Torrance unemployment census "accurate and a true picture of working conditions here."
