"The heavens declare the glory of God; and the firmament sheweth his handywork. There is no speech nor language, where their voice is not heard." These words of the Psalmist are the Golden Text in the Lesson-Sermon on "God the Only Cause and Creator" on Sunday in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.

Among the Bible selections in the Lesson-Sermon are these verses from the Psalms: "Happy is he that hath the God of Jacob for his help, whose hope is in the LORD his God. Which made heaven, and earth, the sea, and all that therein is: which keepeth truth for ever. . . . Let Israel rejoice in him that made him: let the children of Zion be joyful in their King. . . . Let every thing that hath breath praise the LORD. Praise ye the LORD." A correlative passage from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, includes the statements: "Mortals must look beyond fading, flitting forms, if they would gain the true sense of things. . . . We must look where we would walk, and we must act as possessing all power from Him in whom we have our being."
